

BACKYARD FARMING INITIATIVE

The BACKYARD FARMING INITIATIVE is an effort sponsored by the Town of Lee Agricultural Commission to foster a greater understanding and participation in, the Town's long history of farming activities and life skills. The mission is to provide a broader understanding and appreciation to young and old of the unique characteristics of our existing working landscapes here in Lee. The Backyard Farming Initiative has existed for many years and has hosted many hands-on, neighbor-to-neighbor – lectures, demonstrations, and round table discussions designed to provide participants with easy to understand information.

The Town of Lee BACKYARD FARMING INITIATIVE wants to hear from you! Do you have a question that our panel of experts can assist you with? Do you have an idea for a workshop? Are you involved in Lee's long tradition of working landscapes and would be willing to share your experiences & knowledge? Please contact the BACKYARD FARMING INITIATIVE at bfi@leenh.org.
