Chairman Sawtelle opened the meeting at 9:00AM

Chairman Sawtelle continued that the weather forecast doesn't look good for Saturday with hurricane Lee. Even if the rain is over, we still have the high winds that will ruin the tents. He continued to say that the following weekend, September 23<sup>rd</sup> doesn't look good as of now either.

Brian Seeley explained that it's still an uncertainty, but it does look like we could get hit Saturday into Sunday.

Caren Rossi explained that if we continue and the event is a flop, it will be an additional \$4,000 to what we already have to pay for regardless of if we cancel or not.

Chuck Cox asked if the fireworks can be postponed?

Caren Rossi explained that they can for another date, but not the 23<sup>rd</sup> as they don't have a technician available.

Ken Brisson made a motion to postpone the event to September 23, 2023 due to the predicted hurricane Lee.

Laura Gund second.

Vote: all

Chairman Sawtelle suggested we meet again on Tuesday, September 19, 2023 at 9am to discuss the details of the fair on the 23<sup>rd</sup> of September. We will have a better idea of the weather at that time.

Tom Dronsfield suggested a bonfire instead of the fireworks. All agreed it would be great.

**NEXT MEETING**

The committee determined the next meeting is September 19, 2023 @9am in the Town Office.

Meeting adjourned.
