

**Lee Heritage Commission Minutes**  
**August 18, 2022**

**Present:** Pat Jenkins, Cord Blomquist, Denis Hambucken, Scott Bugbee, Donna Eisenhard and Laura Gund.

**Minutes:** Cord made a motion to accept the July minutes with one change in wording; the motion passed and minutes approved.

**Finances:** There have been no changes in finances.

**Rothwell Barn:** We have the signage for their barn, but still no Rothwells. Pat has been trying to reach them with no response.

**Archives:** Cord has been busy putting shelves together. They are, and will be, located in the Archive Room in the Safety Complex. He is making progress.

**Tuttle Road barn:** Denis took photos of the barn on Tuttle Road (first farm on the right as you enter Tuttle Road from Rte. 155) that will be taken down and hopefully rebuilt. He said it is a beautiful old barn and talked about making a series of photos that would be available for people to enjoy.

**Lee Fair:** The fair will be on Saturday, September 17<sup>th</sup> at 1:00. Discussed paperwork, the schedule, etc.

**Parish House:** Still working on ideas: create in-town zoning and separate the lot. There is no well, therefore the house would need some of the back acreage. Possible: add a recreation room, i.e. a community room. Discussed a letter being sent to the Board of Selectmen.

**2023 calendar:** Liz sent out a text asking for calendar photos. Laura will contact Wharf Industries (printer) to determine a time line.

Next meeting will be September 15, 2022

Minutes by Laura Gund
