C. Chuck – Backyard Farming Initiative 2023

Very good program at Flag Hill, Brian Furgerson. Got to see how they set up, handled problems with frost in May. He had a helicopter scheduled at 4am to stir the air, but by midnight it was already too far gone. Lost 80-90% of the grape crop. Tour of the varieties. Showed new bottling equipment. Wine tasting and refreshments. Went to 7:30.

Coming up, Bedrock Gardens, starting at 5pm. Wednesday, Sept 20. Last one of the summer. In January through April we do a winter program, on water.
