

Lee Conservation Commission Minutes
Thursday, January 26, 2023

Present: Dawn Genes (Chair), Mimi Winder (Secretary), Catherine Fisher, Deb Sugerman, Anne Tappan

Topic: Aubuchon Hardware proposal for an addition to the store located at the Lee Traffic Circle.

Conservation members discussed observations made from the site walk performed on January 19, 2023. A draft letter for the ZBA written by A. Tappan was reviewed and discussed. The main concern expressed is the proximity of the construction to a stream and wetland. It was noted that the wetlands buffer zone did not appear on the maps provided. A request was made to have this added to the information packet.

Motion: To accept the draft ZBA letter as discussed at this meeting. C. Fisher approved,
D. Sugerman seconded and the motion was unanimously accepted by LCC members present.
