

Lee Conservation Commission Site Walk Minutes September 14, 2023

Present: Dawn Genes, Deb Sugerman, Anne Tappan, Mark Nelson from Lee Conservation Commission, Aaron Wiswell (owner) and his son, Scott Lawler (engineer), Marc Jacobs (soil scientist)

The purpose of the site walk was to review preliminary plans of owner of 64 and 68 Concord Road. The location of the proposed building, parking, septic and stormwater retention were observed. Discussion took place regarding each of these items as well as the wet soils boundary which had been flagged. The owner doesn't plan to come before the ZBA until the spring.
