### **CEMETERY TRUSTEES NOTICE**

Please be advised that the gates to the cemetery will now close on December 1<sup>st</sup> rather than January 1<sup>st</sup> and will remain closed to automobile traffic until April 1<sup>st</sup> unless conditions require a later date. Visitors should plan on removing any unwanted items or place any new holiday items before this closing date. The gate across from Town Hall will be open to foot traffic at all times after the other gates are closed.

**Road Safety Audit on the Lee Center Intersection**

**Jesse Jakubajtys, Project Manager**

**Dr. Kyle Kwiatkowski, Project Faculty Advisor**

**PLEASE HELP BY COMPLETING THE SURVEY!**

The Project Team will be working under the supervision of the NHDOT to perform a Road Safety Audit on the complex intersection at Lee Center in hopes to generate alternatives to create a safer intersection for automotive and pedestrian traffic. They look forward to the community's feedback so they can do their best to evaluate and improve the safety of this intersection. Please [CLICK HERE](#) to take a survey and contact Jesse at [jhj1009@wildcats.unh.edu](mailto:jhj1009@wildcats.unh.edu) or Dr. Kyle Kwiatkowski at [kyle.kwiatkowski@unh.edu](mailto:kyle.kwiatkowski@unh.edu) if you have any questions.

## GARDEN OF NATIVE NH PLANTS

The Garden of Native NH Plants at the Lee Transfer Station was created in 2006 by a group of Lee residents including a well-known Lee Master Gardener, Carolyn Bassage. Many of the original plants also came from the generosity of Lee residents as well.

Recently, it received quite a gift - a Little Library and a Kiosk. These were designed and constructed by Vinny Golden, a Lee resident, as part of his Eagle Scout Project for Troup 154. The Eagle Scout is the highest rank attainable in Scouts BSA. One must obtain 21 merit badges 13 being required

to receive Eagle and 8 being selected by the scout. A Scout must also hold a leadership position for 6 months in the troop and must complete a service project for a beneficiary in their local community.

On your next trip to the Transfer Station, check them out. I think you will be impressed with this young man's project and attention to detail. The mini library and kiosk are made primarily from cedar and pressure treated wood. These structures are meant to last for years. The cedar and pressure treated woods are rot resistant. The shingles have a thirty-year life span and can withstand 130 mph winds. All locks, hinges, and handles are stainless steel to resist rust. These structures were built to last for a long time and require little to no maintenance.

We will be putting gardening books and magazines in the Little Library and invite you to enjoy and share any that you have.

The Kiosk will include the history of the garden, details about the plants, information from UNH Cooperative Extension and your local Strafford County Master Gardeners including their annual plant sale that benefits community projects including our K-12 School Gardening Grants.

If you see Vinny, his Dad, Jim, or another member of the Golden family please take a moment and thank them for this wonderful gift to the residents of Lee and the Master Gardeners of Strafford County.

For the past 14 years, the garden has been maintained by volunteers including Master Gardeners from Lee and other surrounding communities. Linda Seedner coordinates volunteers at the Garden, and if you'd like to be involved email her at [lseedner@comcast.net](mailto:lseedner@comcast.net).

## Extreme Drought Continues in Lee

As a result of the recent rain, 7% of New Hampshire is now rated D3, Extreme Drought, down from 22% last month. Unfortunately Lee remains in Extreme Drought.

We all share the same aquifers. In order to get through the winter, everyone should be conserving water now. Please practice these easy ways to conserve:

- Eliminate non-essential water use such as lawn watering, car washing, and other non-essential activities.
- Reduce shower times, do only full loads of laundry, and turn off the faucet while brushing teeth, doing dishes, and washing hands.
- Fix any leaks or drips in your household water system, including outside fixtures and hoses.
- Replace harmful chemical cleaning products with safer, non-toxic and biodegradable alternatives. Polluted groundwater is groundwater lost.
- Never allow gasoline, oil, pesticides, antifreeze, or paint down your drains.
- Encourage your children to share and practice what they've been taught about conserving natural resources. Make conserving a family practice.

A few more ideas for water conservation, not quite as easy:

- Update fixtures and appliances to the newer water-saving models.
- Replace asphalt with naturally draining surfaces so rainwater is absorbed.
- Plant trees and other plants in your yard.
- Support and volunteer for environmental and conservation organizations.
- Join the Lee Sustainability Committee!

There's more information on Lee's water resources and how to monitor your own well and groundwater in the Lee Well and Groundwater Awareness Program document from the Lee Sustainability Committee: [https://www.leenh.org/sites/g/files/vyhlif776/f/uploads/reside\\_1.pdf](https://www.leenh.org/sites/g/files/vyhlif776/f/uploads/reside_1.pdf)

# One Bin at a Time – Magazines

Talking trash with Jen Messeder, LSC member

What's up with the divided bin?

India recently stopped taking our mixed paper, and the cost to recycle it has exploded to around **\$70/ton**, more than the cost to send it to a landfill (\$67/ton). To accommodate these changes, the old Mixed Paper bin has been divided – the right side is for office paper (which we might get paid to recycle) and the left side is for magazines (which cost less to recycle than to toss in the trash).

In this article, we'll focus on the magazine side (on the left).

YES, please!

## TOWN MUNICIPAL OFFICES RE-OPENING PLANS

On August 31<sup>st</sup> the Select Board approved a lease agreement between the Town of Lee and Daley Realty Trust for commercial office rental space for the new municipal offices. Modifications have been made to the building in order to provide safe spaces for the public and employees to socially distance from each other. Each department will have its own entrance to the building (these entrances already exist) and each entrance has sufficient parking. The Department of Revenue has approved the Select Board's request for an emergency appropriation, with funds to come out of the unassigned fund balance so that no additional taxpayer dollars will be required for the modification costs and twelve months' lease payments. The move in date is still pending DOT traffic approvals, tax bill schedule and the approaching holidays so as not to cause any unnecessary risk, confusion, or inconveniences for the general public. The Select Board has been meeting regularly via the Zoom platform and we invite all members of the public to join us as we continue to discuss this plan. Agendas, minutes and videos of the meetings can be found on the town's website [www.leenh.org](http://www.leenh.org).

---

### PLEASE REMEMBER THAT THE TOWN IS NOT WIPING DOWN PLAYGROUND EQUIPMENT, PICNIC BENCHES OR ANY OTHER SURFACES

The Town of Lee urges our residents and visitors to do their part to prevent the spread of COVID-19 in our community. If you go to a park or trail to exercise, use extreme caution. Maintain at least 6 feet of distance between yourself and others when outside and wear a mask if you cannot maintain this distance. Cookouts are now permitted in Little River Park.

### TOWN CLERK'S OFFICE NOTICE

#### COVID-19 HOURS: MONDAY, WEDNESDAY AND FRIDAY 8-4 (Closed 12-1)

The Town Clerk/Tax Collector's Office is currently experiencing a higher volume of calls than usual, so if your call is not immediately answered, please leave a message or email [reinhold@leenh.org](mailto:reinhold@leenh.org) or [estone@leenh.org](mailto:estone@leenh.org). The office will try to respond to all messages on the same business day if left no later than 3 pm; any messages left after 3 pm will be answered on our next business day.

### TOWN CLERK / TAX COLLECTOR OFFICE COVID-19 PROCEDURES

**There is a walk-up service window located outside the Town Clerk's Office. This does not change the way the office is conducting business while the building is closed.** If you cannot conduct your business online or by dropping it in the box outside then call 659-2864 to schedule an appointment.

#### RENEWING VEHICLE REGISTRATIONS:

- If you have a vehicle currently registered in Lee and it is not more than 6 months late, you can register online at [www.leenh.org](http://www.leenh.org). The registrations and decals are then mailed to you;
- If you have your Lee renewal notice, you can renew by mail or drop it off at the Town Clerk/Tax Collector Lock Box along with a check made out in the correct amount to the Town of Lee. We will then mail you the registrations and decals.

*Please note - We always try to send renewal notices.* If you are unable to do one of the above options for any reason, please call our office at 659-2964.

**NEW VEHICLE OR NEW TO LEE:** If you are new to Lee, or if you have a NEW REGISTRATION, please call 659-2964 to make an appointment to come to Town Hall. Temporary plates issued on or after February 26, 2020 expired on May 31, 2020.

**VITAL RECORDS REQUESTS:** These can be done online at [www.leenh.org](http://www.leenh.org). The directions will indicate that it is required to email your ID in order to complete this request. Please email your ID to [estone@leenh.org](mailto:estone@leenh.org).

**DOG LICENSES:**

- If your dog was registered for 2019-2020 and the rabies is still up-to-date, you can renew the registration online.
- If the rabies is not up-to-date, then we need proof from the vet. You can mail it, email it ([estone@leenh.org](mailto:estone@leenh.org)) or fax it (603-659-7202) to us and then you can do it online or through the mail or drop box.
- NEW DOGS cannot be done online. We need owner's birthday, phone number, address, dog's name, breed, and color and proof of rabies from the vet. If they are spayed or neutered we need proof. Altered dogs are \$6.50 and unaltered dogs are \$9. Puppies under 1 year are \$6.50. You can send us via mail or drop box this information with a check in the correct amount to the Town of Lee and we will mail your license.

**INSTRUCTIONS FOR PAYING YOUR LEE PROPERTY TAX BILL**

1. **TC/TC Lock Box** – This is labeled and located to the left of the entrance to the Town Hall building. Please leave payment in an envelope with the payment stub.
2. **Mail** - Mail it to our office at 7 Mast Road, Lee, NH 03861. Again, please include the payment stub with your check.
3. **Online** – Go to [www.leenh.org](http://www.leenh.org). Click on the property taxes button under Town Resource Center. There you may pay via ACH or credit card. There are additional fees associated with this method.

If you want a receipt for any of the above transactions, please include a self-addressed, stamped envelope or include your email address. Thanks for understanding and stay safe!

**TRANSFER STATION**

**HOURS**

Tuesdays, Thursdays and Saturdays 7:00 am – 6:00 pm

**The Swap Shop will remain closed until further notice.**

**PLEASE REMEMBER TO GET A TRANSFER STATION STICKER IF YOU DON'T ALREADY HAVE ONE**  
**Stickers are only good for two years!**

The easiest way to get your sticker is when you register your car. If you have already done so and still do not have a sticker, they are available at the Transfer Station or at Town Hall. Proof of residency, such as a recent utility bill, lease or rental agreement, or recent tax bill, and your car registration will be required. If you have any questions please call Town Hall or you may refer to the Solid Waste Ordinance, available [HERE](#).

**\*NEW CHANGES TO MIXED PAPER\***

Mixed paper should still be placed with Municipal Solid Waste (MSW) EXCEPT NOW please go back to separating your office paper and magazines from your mixed paper in order to start the Town's recycling revenue back up again. Acceptable paper items are copy paper, envelopes (windows ok), junk mail (no glossy mail), any magazines.

**PLEASE CONTINUE PRACTICING SOCIAL DISTANCING**

Both bays remain open as we have seen an improvement in the flow of traffic, but everyone has to maintain the recommended safe distance of 6' while inside. In order for our employees and

residents to maintain a safe distance, employees will not be stationed on the wall during this time but will be available to answer questions.

### **PLEASE KEEP CHILDREN IN YOUR VEHICLE**

PLEASE have your child(ren) stay in your vehicle while you are disposing of trash and recyclables. This is for their safety! If they have to be out of the vehicle please keep them next to you at all times and do not let them run through the Transfer Station, roadways or parking areas.

**There are several important issues you must be aware of regarding your household trash and recycling disposal if you or anyone in your household has been quarantined for COVID-19 or has tested positive for COVID-19.** Your trash and recycling must be handled and disposed of under different rules. Please consult Caren Rossi, Lee's Health Officer to discuss the new steps that must be taken. Email is [crossi@leenh.org](mailto:crossi@leenh.org) or phone at 659-6783. Thank you for your cooperation.

**Bulky items are accepted at the Transfer Station, HOWEVER, payment will be by check only – there will be a drop box available.** Employees will **not** be able to assist with removing items from your vehicle but will be available to guide you, weigh items, and answer your questions.

### **WILKINSON FOOD PANTRY - Lee Church Congregational, 17 Mast Rd**

Even though our building is closed, the food pantry is open to any household in Lee, Durham, Madbury, Newmarket, and Nottingham. Delivery is through a walk-up window service to minimize contact during this time. The pantry is open the 1<sup>st</sup> & 3<sup>rd</sup> Monday of each month from 6 - 7:00pm. If you have an emergency need for food outside of the normal hours, please call the Church office at 659-2861 or email at [leechurchucc@comcast.net](mailto:leechurchucc@comcast.net). All visits to the pantry are strictly confidential.

## READY RIDES

### Change in Services Due to Social Distancing Recommendation

**Ready Rides is still** providing rides to patients. We recommend you utilize family friends and neighbors who you already have regular contact with to help provide rides if possible but we are here for you if you need us. **A service we are adding to our registered riders is pharmacy pickups and food pantry and grocery pickups. If you have placed an order with Walmart.com or Hannaford.com we have volunteers who will pick up these orders and bring them to your door with minimal contact.** If you are unable to order online and you are in desperate need of help with acquiring food or some necessity here are some resources.

If you live in Barrington, Lee, Madbury, Newmarket, Northwood, Barrington, Nottingham and Strafford towns call 244-8719 and we will do our best to find a way to get you the help you need.

### What Ready Rides does during normal operations

Ready Rides provides transportation at no charge for the elderly & disabled residents living in: **Barrington, Durham, Lee, Madury, Newfields, Newmarket, Northwood, Nottingham and Strafford NH.** Rides are provided by volunteer drivers using their own vehicles. **Accessible rides available.** To request information about registering as a rider or becoming a volunteer driver, please email [info@readyrides.org](mailto:info@readyrides.org) or call (603) 244-8719. You can find an [Application](#) for riders and a [Volunteer Application](#) on this website. Email or mail it to Ready Rides P.O. Box 272 Northwood, NH 03261. For other transportation options available in the region, please visit ACT's [Community Transportation Directory](#).

## LEE FIRE & RESCUE DEPARTMENT

Scott M. Nemet  
Fire Chief

20 George Bennett Road  
Lee, New Hampshire 03861  
(P): 603.659.5411 (F): 603.659.9611

Jeffery S. Liporto  
Deputy Chief

---

As you know, we are still in the midst of Covid 19. The department remains fully staffed and operating to protect our community but must continue to modify the way we provide some of its services. The Safety Complex remains closed to all visitors for the foreseeable future, but business will continue to be conducted via phone or email. Phone numbers and email addresses are provided on the Fire Department's web page.

Burn permits are still required for all outside burning and all State burning regulations are still in effect. Burning regulations and permits can be found on the link provided on the Fire Department section of the E-Crier. Please check to see what the fire class for the day is prior to lighting any outside fire. Class 3 day or higher, all outside burning is not allowed. You can find out what fire class day it is by visiting the NH Forest and Lands website or look at the road side board at the Public Safety Complex.

All station tours remain suspended as are all home visits for wood stove, burn permit and inspection purposes. Furnace installation inspections will be conducted on an emergency basis for emergency replacement only. All furnace replacement work shall be coordinated through the Fire Chief's office before any work is to be done. All Covid 19 related inquiries should be made to the Town's Health Officer, Caren Rossi.

Winter is closing in and we would like to pass on some friendly reminders for fire safety.

- Change batteries in your smoke and carbon monoxide detectors
- Have furnaces and water heaters (fuel burning) cleaned and inspected annually.
- Have woodstove and fireplace chimneys inspected and cleaned annually. Only burn seasoned hardwood to reduce creosote build-up. Burn your woodstoves at high temperatures occasionally to burn off creosote build-up in the chimney.
- During power outages practice generator safety and keep generators at least 10' from the house in a well-ventilated area. Never run them inside the house or a garage.
- Live Christmas trees should be kept watered and placed away from heat sources to prevent drying out. Remove from the home if they become dry and the needles readily fall off.
- Inspect all lighting used to decorate Christmas trees and do not use any lights that are defective.
- Keep all vents on your home free and clear of snow and ice.
- Keep all means of egress from your home shoveled and clear for easy escape in case of fire.
- When the ponds and rivers freeze over stay off of the ice until it has been deemed safe to walk on. Ice should be at least 4" thick before being considered safe to walk on. Stay away from areas where there is running water or current as they will not freeze enough to hold a person's weight.

We hope you all have a safe and happy winter season. Remember to please wear a mask in public, practice social distancing and wash your hands frequently to help prevent the spread of Covid 19.

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. Some mailboxes are clustered together. The numbers are small and the location may not mark the entrance to your driveway. The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

## Governor's Office of Emergency Relief and Recovery

- **Live Venue Relief Program** – The GOFERR allocated \$12 million from the funds the state received through the CARES Act towards a relief program to target NH's live performance venues that have been hit especially hard by the COVID-19 pandemic. While the application deadline was October 13<sup>th</sup>, the window to appeal is open until November 20<sup>th</sup>. **If your business was determined to be not eligible for a Live Venue Relief Fund grant because of one or both of the following reasons, you may request an appeal by emailing [livevenue@goferr.nh.gov](mailto:livevenue@goferr.nh.gov) by 4:00 PM on Friday, November 20, 2020.** Qualifying reasons for appeal:
  1. Applying on behalf of a facility/venue that is not primarily engaged in hosting live events that are seated *and* ticketed *and* open to the public
  2. Not operating the live performance venueMore information can be found [here](#).
- **Shelter Modification Program** – The GOFERR allocated \$15 million from the federal funding NH received through the CARES Act towards creating the Shelter Modification Program. The New Hampshire Housing Finance Authority (NHHFA) will distribute grants to existing homeless shelters for physical modifications and expansion before December 30, 2020 to enable shelters to mitigate the spread of COVID-19. **The application window is now open and NHHFA will accept and approve applications until funds are exhausted or December 14, 2020, whichever comes first.** More information and the application can be found [here](#).
- **NH Housing Relief Program** – The GOFERR allocated \$35 million from the \$1.25 billion in federal funds that NH received from the CARES Act State-Local Coronavirus Relief Fund towards a new [Housing Relief Program](#) to assist families and individuals facing housing insecurity as a result of the COVID-19 pandemic. The program has two components: 1) one-time grants for households that suffered a limited short-term loss of household income or increased expenses that threaten the family's ability to maintain its housing; and 2) short-term rental assistance program. The program is being administered by the state's five Community Action Program (CAP) agencies and more details, including how to apply to your local CAP, can be found [here](#).
- **Child Care COVID-19 Assistance Supplement (CCCAS) Funding** – The GOFERR allocated an additional \$10 million in federal funding provided by the CARES Act for child care and afterschool providers. Existing Child Care Recovery and Stabilization Program (CCRSP) providers who received funding in round one are eligible to receive additional funding to address their income losses and COVID-related expenses incurred between March 1<sup>st</sup> – December 30<sup>th</sup>, 2020. **The application window for the second round of funding opened on October 15<sup>th</sup> and closes on November 6<sup>th</sup>.** More information can be found [here](#) and [here](#).

## FEDERAL RESERVE

The Federal Reserve Board recently adjusted the terms of the Main Street Lending Program in two important ways to better target support to smaller businesses that employ millions of workers and are facing continued revenue shortfalls due to the pandemic. In particular, the minimum loan size for three Main Street facilities available to for-profit and non-profit borrowers has been reduced from \$250,000 to \$100,000 and the fees have been adjusted to encourage the provision of these

smaller loans. The Board and Department of the Treasury also issued a new frequently asked question clarifying that Paycheck Protection Program loans of up to \$2 million may be excluded for purposes of determining the maximum loan size under the Main Street Lending Program, if certain requirements are met, which should also help smaller businesses access Main Street loans. More information can be found [here](#).

## FEDERAL FUNDING FOR NH

- **Low Income Home Energy Assistance Program** –Senator Shaheen and the rest of the NH Congressional delegation announced that New Hampshire is set to receive \$25,117,942 in assistance under the Low Income Home Energy Assistance Program (LIHEAP). The announcement follows [calls from Senators Shaheen and Hassan to the U.S. Department of Health and Human Services \(HHS\)](#) to release LIHEAP funds as swiftly as possible under the current continuing resolution. More information can be found [here](#).
- **Funding to Support NH Outdoor Recreation & Forest Economies** – Yesterday, Senator Shaheen and the rest of the NH Congressional delegation announced that New Hampshire has been awarded \$467,410 from the Northern Border Regional Commission (NBRC) and U.S. Department of Agriculture (USDA) to support the state's outdoor recreation and forest economies. These grants will be allocated through NBRC and USDA's State Economic & Infrastructure Development program and help create and retain jobs and promote economic growth in rural Granite State communities. More information can be found [here](#).

Senator Shaheen continues to advocate for a comprehensive, bipartisan COVID-19 relief package that includes meaningful support for Granite Staters and NH communities, including additional funding for state and local governments; funding to address homelessness and provide federal rental and mortgage assistance; funding for our schools and child care providers; and relief for small businesses and nonprofits.

## NH CARES ACT FUNDING

The State has published an online Transparency Map which is an interactive overview of awards made with New Hampshire's CARES Act Coronavirus Relief Funds. To date, the Town of Lee, as well as other non-profit organizations and for profit businesses have received a total of **\$1,490,852**. Go to <https://www.goferr.nh.gov/> to see a complete list and the amount of funding provided.

The Governor's Office for Emergency Relief and Recovery has initiated a number of financial aid programs to assist residents such as Supporting Children In Care Program, NH Housing Relief Program, Community College System of New Hampshire (CCSNH) Tuition Assistance Program and NH Agriculture Relief Program Expansion. Please go to <https://www.goferr.nh.gov/apply> for a description of each program and application deadlines.

## SAFER AT HOME GUIDELINES

The Stay at Home 2.0 order has been replaced by Safer at Home. Guidelines still must be followed and can be found at <https://www.covidguidance.nh.gov/>

Town Offices remain closed to the public at this time but we are working on a plan to be able to reopen to the public. Town employees continue to work both remotely and on site and remain committed to ensuring the safety of both employees and the public.

---

In these difficult times, we want you to know that help is available. Additional funds were recently allocated to The New Hampshire Housing Relief Program to help customers experiencing financial hardship during the pandemic.

- Even if you have never applied before, if you have been laid off or had your hours reduced because of the pandemic, you may be eligible now for a one-time grant of up to \$2,500 or assistance over the course of several months.
- These funds can be used to pay housing or utility costs and will be sent on your behalf direction to your landlord or utility company.
- There is no income limit to qualify.
- This is not a loan and does not need to be paid back.

Apply online, or through your local community action agency. To find an agency nearest you, call 211. Please have copies of your utility bill handy for reference. [CLICK HERE](#) for more details.

## NH DHHS Announces Online Purchasing Program for SNAP Recipients

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS), Division for Economic and Housing Stability (DEHS) has received approval from the U.S. Department of Agriculture (USDA) to participate in a pilot program that allows recipients of Supplemental Nutrition Assistance Program (SNAP) benefits to purchase and pay for groceries online. The [SNAP Online Purchasing Pilot](#) program allows the use of Electronic Benefits Transfer (EBT) cards to purchase eligible food items through two authorized online retailers, Amazon and Walmart.

"From the beginning of the COVID-19 emergency, we have worked hard to ensure that our residents are able to safely access the things their families need when they need them the most," said Governor Chris Sununu. "Online purchasing provides additional flexibility for all Granite State SNAP recipients, allowing them more ways to use their SNAP benefits to make sure their families have access to healthy and nutritious food during the pandemic and beyond."

"Online purchasing is one more way New Hampshire residents can access good nutrition throughout the duration of the COVID-19 pandemic," said DHHS Commissioner Lori Shibinette. "Purchasing groceries online is safe, secure, and helps people maintain social distancing measures that help slow the spread of COVID-19 in our communities."

Participation in the pilot program is one of several measures DHHS has taken to reduce concerns around food insecurity during the COVID-19 pandemic. Others include the issuance of emergency SNAP benefits; the extension of certification periods for SNAP recipients; a temporary suspension of SNAP work requirements for eligible individuals; participation in Pandemic EBT (P-EBT), which provides families with children enrolled in the National School Lunch Program additional SNAP

benefits due to the loss of school meals during remote learning; and accepting applications by phone for the Women, Infants and Children program. SNAP recipients will be able to purchase eligible food items, but will not be able to use benefits for service or delivery charges.

The SNAP Online Purchasing Pilot was established by the federal 2014 Farm Bill, which mandated a pilot to test the feasibility of allowing online transactions using SNAP benefits. In 2017, eight states were selected to be part of the pilot, which was launched in New York State in 2019, followed by Washington in January 2020. Additional states have joined the program as a result of the COVID-19 pandemic. ## **NH Department of Health and Human Services Resource Guide and Warm Line to Support Families During COVID-19**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS), Division for Children, Youth and Families (DCYF) has developed two new resources to help children, youth, families and caregivers during the COVID-19 emergency.

The first is “[Supporting Child and Family Wellbeing During the COVID-19 Emergency](#),” a new resource guide with practical tips on how we can all support children and families during COVID-19. The guide also provides a list of resources available to families statewide. The second resource is the [Family Support Warm Line](#), a partnership between DHHS and Waypoint. The Family Support Warm Line is a no-cost, confidential phone support line focused on promoting family resiliency. Residents can call 800-640-6486 and speak with family support professionals and parent partners for help with managing family challenges, coping strategies, or emotional support during COVID-19.

“Our data has shown a decline in the number of calls made to DCYF from those community helpers who regularly see kids face to face, but this is continues to be a stressful time for families and our focus has to remain on prevention,” said DCYF Director Joseph Ribsam. “Having resources readily available and a place where parents and caregivers can turn if they need to talk to someone can make a difference for our families and guide them to the services they need to stay strong and healthy, before they reach a tipping point that leads to abuse or neglect.”

The efforts stem from [Emergency Order #22](#), issued by Governor Chris Sununu on April 1, which authorizes emergency funding for critical child protection services to ensure that New Hampshire families continue to receive the right services at the right time during the COVID-19 emergency. In addition to the Family Support Warm Line, the funding will support domestic violence and substance use supports, expansion of the DCYF Strength to Succeed Program, and additional technology support for DCYF-involved families.

March data from the Division for Children, Youth and Families (DCYF) shows a [decrease in referrals](#) to DCYF’s Central Intake, compared to the same time period over the past two years. New child abuse and neglect referrals are down nearly 50% each week overall. To learn more about recognizing the signs of child abuse and neglect, visit [Know and Tell](#), an education program offered through the Granite State Children’s Alliance, the Chapter Organization for the network of New Hampshire’s Child Advocacy Centers.

The Family Support Warm Line can be reached toll-free at 1-800-640-6486, Monday - Friday, 8:30 am - 4:30 pm. If you suspect child abuse or neglect, call the DCYF Central Intake line at (603) 271-6562 or toll-free (in state) at (800) 894-5533.
