**INFORMATIONAL SESSIONS FOR APPROVING THE
TOWN WARRANT AND FOR THE MUNICIPAL ELECTION
1ST SESSION VIA ZOOM – SATURDAY, JANUARY 30TH 9am**
Meeting ID 869 0483 3577 Password 033847 Call in #1-646-558-8656.
Zoom instructions on www.leenh.org

Due to the ongoing COVID-19 Pandemic, the Town Moderator and Lee Select Board have determined that for the safety of the residents of the town and pursuant to the special legislation adopted by the NH Legislature (HB1129) they adopted Temporary Optional Town Meeting Procedures. The Moderator and Select Board will be holding two, live virtual information and meeting sessions to inform the voters about the proposed optional meeting procedures and discuss the warrant articles.

1. During the 1st session, the Select Board will explain the optional meeting procedures and review each warrant article. The public may ask questions during this session. After this session, the public may also submit questions and comments:

- a. Email: townadministrator@leenh.org
Please put Town Meeting Comments in the subject line
- b. Mail: Town Meeting Comments, Town of Lee, 249 Calef Highway, Lee NH 03861
- c. Phone: (603) 659-5414 ext. 312
- d. Drop off comments at the Selectmen's Office, Town Offices at 249 Calef Highway, Lee, NH

All comments must include your name and address. Comments must be submitted no later than February 5th at noon. Your name and the content of any comments will be shared publically during the 2nd virtual session. The Select Board reserves the right to summarize comments greater than 100 words.

2. The 2nd virtual session will be held via Zoom on Saturday, Feb. 6, 2021 at 9:00 am. Residents may watch by logging in and using Meeting ID 869 0483 3577 Password 033847 or listen in by calling 1-646-558-8656. Zoom instructions can be found at www.leenh.org. During this session, the Select Board will review all comments submitted and deliberate any changes suggested by these comments. The Select Board will then vote to move each article to the ballot.

NOTE: After the election of officers, the 2nd article on the ballot will be to see if the voters approve of these optional town meeting procedures. If this question is not approved, no other article will pass.

3. On March 9, 2021, the Town will hold its regular municipal election at the **LEE TRANSFER STATION, 11 Recycling Center Rd, Lee, NH** from 7am – 7pm. Voting will be conducted by drive-through in order to allow people to vote from the safety of their own vehicle.

4. We encourage anyone who is not yet registered to vote to do so in advance. You may also file for an absentee ballot with the town clerk as soon as possible. Absentee ballot requests are available on www.leenh.org or at the Town Clerk's Office, 249 Calef Hwy. If you have questions please call that office at (603) 659-2964 ext. 307 or 308.

Thank you for your understanding during these unprecedented times. If you have any questions, please email townadministrator@leenh.org or call (603) 659- 5414 extension 312. Thank you.

Phase 1B Vaccination Scheduling

For Immediate Release:

January 28, 2021

sununu.press@nh.gov

603-271-2121

Concord, NH – Today, the State of New Hampshire is distributing an email and text message to the more than 300,000 individuals who have registered for a COVID-19 vaccination or whose medical provider has submitted information referring them as an eligible recipient in Phase 1B.

The text message, sent from phone number 769-93, and email, sent from covidvaccine@dhhs.nh.gov, asks individuals whether they were able to successfully schedule an appointment for vaccination with a confirmed time, date, and location and directs them to an OnSolve website to submit their response.

This additional communication is to help identify individuals who may require additional information or assistance in scheduling their vaccine appointment.

This link is only active for 24 hours. Those who attempt to utilize the link more than 24 hours after receiving it must contact covidvaccine@dhhs.nh.gov.

“Customer service is key,” said Governor Chris Sununu. “While the vast majority of Granite Staters have successfully scheduled their appointment, a few folks have required additional assistance in their registration process. This proactive message will help ensure that everyone gets an appointment.”

After submitting a response via the OnSolve website, eligible individuals who indicate they have been unsuccessful in scheduling an appointment will receive an individualized follow-up email from a State of NH employee via a @nh.gov email account providing additional information and assistance.

LEE TOWN OFFICES HAVE SUCCESSFULLY MOVED

The Selectmen’s Office, Town Clerk/Tax Collector, and Planning & Zoning/Building Department are now located at 249 Calef Highway (aka Route 125.) The building is open to the public; however, all covid-safe practices, such as mask wearing, hand sanitizing and staying at least 6 feet apart will be in place. Please use Buzzell Lane off of George Bennett Road to enter and exit the new municipal office building. Signs have been installed to guide you. There is plenty of parking around the building and each department has its own entrance. If you have any questions please do not hesitate to call us:

Selectmen’s Office – 659-5414

Town Clerk/Tax Collector – 659-2964

Planning & Zoning/Building Department – 659-6783

Please note: the Town Clerk/Tax Collector entrance is on the side of the building!

NORTHEAST RESOURCE RECOVERY ASSOCIATION (NRRA)

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2020	Environmental Impact! Here is <u>only one</u> benefit of recycling materials rather than manufacturing products from virgin resources
Aluminum Cans	28,027 lbs.	Conserved enough energy to run a television for 2,853,149 hours!
Paper	155 tons	Saved 2,646 trees!
Plastics	66,640 lbs.	Conserved 49,980 gallons of gasoline!
Scrap Metal	98.3 gross tons	Conserved 275,225 pounds of iron ore!
Steel Cans	14.6 gross tons	Conserved enough energy to run a 60 watt light bulb for 851760 hours!
Tires	2.8 tons	Conserved 1.8 barrels of oil!

Avoided Emissions:

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

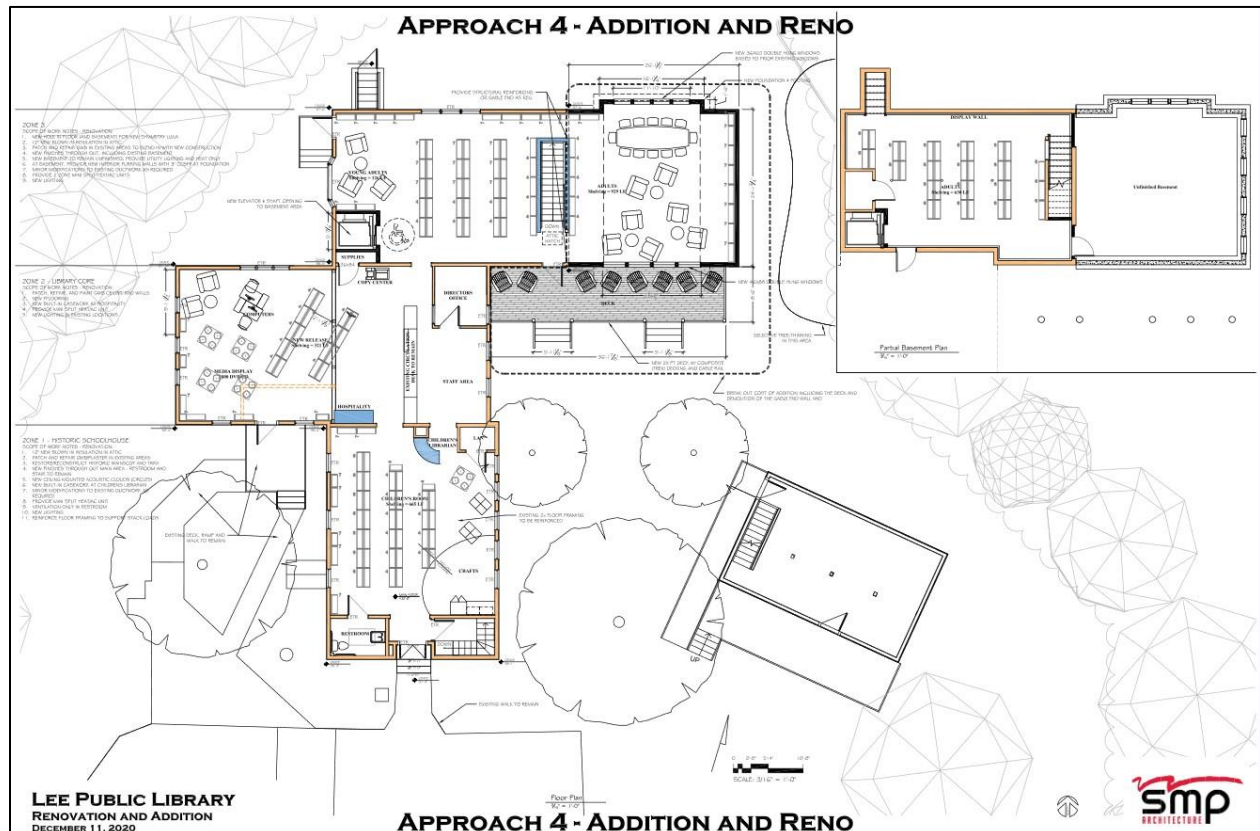

By recycling the materials above, you have avoided about **1,188 tons** of carbon dioxide emission. This is the equivalent of removing **253 passenger cars** from the road for an entire year.

From the Trustees: Lee Public Library Update

The Library Trustees have continued to work with SMP Architects to develop a plan for remodeling the Lee Public Library and adding a small addition to the existing building. The discussion has included the future of the library footprint, which areas to renovate, where to expand and compliance issues. Community space, a dedicated and expanded children's area and integration of outdoor space with indoor space have also been considered.

This fall, after sending out an RFP and interviewing several firms, the trustees chose Milestone Construction & Engineering as the construction manager for the project. The process of finalizing the budget is now underway.

Since the trustees do not plan to bond the project, renovations will be done in phases as we can afford to pay for them – beginning with reinforcing the floor in the schoolhouse section, renovating the meeting space in the existing basement and building a small addition with basement. Eventually the other areas of the library will be renovated and made ADA-compliant, culminating in relocating the children’s area into the schoolhouse section, bringing the purpose of that building full circle. Phasing means the renovations may take longer, but the trustees want to stick to a fiscally responsible budget. We estimate that the project will cost approximately \$800,000 – currently, there are combined public and private funds available in the amount of \$600,000; the remainder of the funds will come from fundraising and grants.

POLICE DEPARTMENT NOTICE

The Lee Police Department will be vigorously enforcing Jessica’s Law:

265:79-b Negligent Driving. (Jessica's Law) – Whoever upon any way drives a vehicle negligently or causes a vehicle to be driven negligently, as defined in RSA 626:2, II (d), or in a manner that endangers or is likely to endanger any person or property shall be guilty of a violation and shall be fined not less than \$250 nor more than \$500 for a first offense and not less than \$500 nor more than \$1,000 for a second or subsequent offense.

REMEMBER THAT LEE HAS A SNOW CASTING ORDINANCE!

This means that you cannot throw, “cast,” place or deposit snow or ice onto any plowed street or public way. [CLICK HERE](#) to read more. The fine for this violation can be up to \$100.00.

Please be sure that no vehicles are parked on a roadway during snow removal OR during a storm.

TRANSFER STATION

Open Tuesdays, Thursdays and Saturdays 7:00 am – 6:00 pm
The Swap Shop will remain closed until further notice.

YOU MUST WEAR A MASK WHILE AT THE TRANSFER STATION

PLEASE REMEMBER TO GET A TRANSFER STATION STICKER IF YOU DON'T ALREADY HAVE ONE

Ask for a sticker when you register your car. Or get one at the Transfer Station. Proof of residency, such as a recent utility bill, lease or rental agreement or recent tax bill and your car registration will be required. Please call the Town Hall @ 659-5414 with questions or refer to the Solid Waste Ordinance [HERE](#).

MIXED PAPER

Mixed paper should still be placed with Municipal Solid Waste (MSW) EXCEPT please separate your office paper and magazines from your mixed paper in order to start the Town's recycling revenue back up again. Acceptable paper items are copy paper, envelopes (windows ok), junk mail (no glossy mail), any magazines.

PLEASE CONTINUE PRACTICING SOCIAL DISTANCING

Both bays remain open as we have seen an improvement in the flow of traffic, but everyone has to maintain the recommended safe distance of 6' while inside. In order for our employees and residents to maintain a safe distance, employees will not be stationed on the wall during this time but will be available to answer questions.

PLEASE KEEP CHILDREN IN YOUR VEHICLE

PLEASE have your child(ren) stay in your vehicle while you are disposing of trash and recyclables. This is for their safety! If they have to be out of the vehicle please keep them next to you at all times and do not let them run through the Transfer Station, roadways or parking areas.

There are several important issues you must be aware of regarding your household trash and recycling disposal if you or anyone in your household has been quarantined for COVID-19 or has tested positive for COVID-19. Your trash and recycling must be handled and disposed of under different rules. Please consult Caren Rossi, Lee's Health Officer to discuss the new steps that must be taken. Email is crossi@leenh.org or phone at 659-6783. Thank you for your cooperation.

Bulky items are accepted at the Transfer Station, HOWEVER, payment will be by check only – there will be a drop box available. Employees will **not** be able to assist with removing items from your vehicle but will be available to guide you, weigh items, and answer your questions.

LEE FIRE & RESCUE DEPARTMENT

Scott M. Nemet
Fire Chief

20 George Bennett Road
Lee, New Hampshire 03861
(P): 603.659.5411 (F): 603.659.9611

Jeffery S. Liporto
Deputy Chief

The department remains fully staffed and operating during the Covid-19 pandemic to protect our community but must continue to modify the way we provide some of its services. The Safety Complex remains closed to all visitors for the foreseeable future, but business will continue to be conducted via phone or email. Go to <https://www.leenh.org/fire-department>.

Burn permits are still required for all outside burning and all State burning regulations are still in effect. Burning regulations and permits can be found [HERE](#). Please check to see what the fire class for the day is prior to lighting any outside fire. Class 3 day or higher, all outside burning is not allowed. You can find out what fire class day it is by visiting the NH Forest and Lands website or look at the road side board at the Public Safety Complex.

All station tours remain suspended as are all home visits for wood stove, burn permit and inspection purposes. Furnace installation inspections will be conducted on an emergency basis for emergency replacement only. All furnace replacement work shall be coordinated through the Fire Chief's office before any work is to be done. All Covid 19 related inquiries should be made to the Town's Health Officer, Caren Rossi 659-6783 or crossi@leenh.org.

Winter is here and we would like to pass on some friendly reminders for fire safety:

- Change batteries in your smoke and carbon monoxide detectors
- Have furnaces and water heaters (fuel burning) cleaned and inspected annually.
- Have woodstove and fireplace chimneys inspected and cleaned annually. Only burn seasoned hardwood to reduce creosote build-up. Burn your woodstoves at high temperatures occasionally to burn off creosote build-up in the chimney.
- During power outages practice generator safety and keep generators at least 10' from the house in a well-ventilated area. Never run them inside the house or a garage.
- Live Christmas trees should be kept watered and placed away from heat sources to prevent drying out. Remove from the home if they become dry and the needles readily fall off.
- Inspect all lighting used to decorate Christmas trees and do not use any lights that are defective.
- Keep all vents on your home free and clear of snow and ice.
- Keep all means of egress from your home shoveled and clear for easy escape in case of fire.
- When the ponds and rivers freeze over stay off of the ice until it has been deemed safe to walk on. Ice should be at least 4" thick before being considered safe to walk on. Stay away from areas where there is running water or current as they will not freeze enough to hold a person's weight.

We hope you all have a safe and happy winter season. Remember to please wear a mask in public, practice social distancing and wash your hands frequently to help prevent the spread of Covid 19.

WHEN SECONDS COUNT... Please take the time NOW to SAVE TIME in an EMERGENCY.

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

PAYCHECK PROTECTION PROGRAM

The Paycheck Protection Program (PPP) provides loans to help businesses keep their workforce employed during the COVID-19 crisis. SBA is currently offering:

- [First Draw PPP Loans](#) for first time program participants
- [Second Draw PPP Loans](#) beginning January 13, 2021 for certain businesses that have previously received a PPP loan

SBA also offers additional [Coronavirus relief](#). More information about PPP can be found [here](#).

EVICTIION CLINIC

NH Legal Assistance and the Legal Advice and Referral Center have started a new online Eviction Clinic for tenants who are facing eviction or are confused about the eviction process. During the Clinic, lawyers and paralegals from both organizations will explain the eviction process and answer general questions. They will not be able to provide legal advice for specific cases.

The first Clinic was held on Wednesday, Jan. 20, 2021. Clinics will continue each week. During January and February, there will be one weekly Clinic on Wednesdays at 7 pm. On every other Wednesday, there will be an additional afternoon Clinic at 2 pm. Pre-registration is **not required**. The links for each week's Clinic(s) will be on NHLA's Facebook page and website.

Community Development Finance Authority (CDFA):

The CDFA will be accepting applications for all its programs for the 2021 calendar year. The application deadlines for all programs can be found [here](#). All applications must be received by CDFA through its [online grants management system](#) by 4pm for each deadline.

NH Food Bank – Upcoming Mobile Food Pantries:

The NH Food Bank will be hosting several mobile food pantries across the state this month using a drive-thru distribution model. Recipients will remain in their car and fresh produce, non-perishable items and more will be delivered right to them. These events are open to anyone in need. More information about upcoming mobile food pantries – including dates, times and locations – can be found [here](#).

IRS

The Internal Revenue Service announced that the nation's tax season will start on Friday, February 12, 2021, when the tax agency will begin accepting and processing 2020 tax year returns.

The February 12 start date for individual tax return filers allows the IRS time to do additional programming and testing of IRS systems following the December 27 tax law changes that provided a second round of Economic Impact Payments and other benefits.

To speed refunds during the pandemic, the IRS urges taxpayers to file electronically with direct deposit as soon as they have the information they need. People can begin filing their tax returns immediately with tax software companies, including IRS Free File partners. These groups are starting to accept tax returns now, and the returns will be transmitted to the IRS starting February 12. More information can be found [here](#).

FEDERAL RESERVE

The Federal Reserve Board adjusted the terms of the Main Street Lending Program in 2 important ways to better target support to smaller businesses that employ millions of workers and are facing continued revenue shortfalls due to the pandemic. In particular, the minimum loan size for three Main Street facilities available to for-profit and non-profit borrowers has been reduced from \$250,000 to \$100,000 and the fees have been adjusted to encourage the provision of these smaller loans. The Board and Department of the Treasury also issued a new frequently asked question clarifying that Paycheck Protection Program loans of up to \$2 million may be excluded for purposes of determining the maximum loan size under the Main Street Lending Program, if certain requirements are met, which should also help smaller businesses access Main Street loans. More information can be found [here](#).

FEDERAL FUNDING FOR NH

- **Low Income Home Energy Assistance Program** – NH is set to receive \$25,117,942 in assistance under the Low Income Home Energy Assistance Program (LIHEAP). More information can be found [here](#).
- **Funding to Support NH Outdoor Recreation & Forest Economies** – NH has been awarded \$467,410 from the Northern Border Regional Commission (NBRC) and U.S. Department of Agriculture (USDA) to support the state's outdoor recreation and forest economies. These grants will be allocated through NBRC and USDA's State Economic & Infrastructure Development program and help create and retain jobs and promote economic growth in rural Granite State communities. More information can be found [here](#).

NH CARES ACT FUNDING

The State has published an online Transparency Map which is an interactive overview of awards made with New Hampshire's CARES Act Coronavirus Relief Funds. To date, the Town of Lee, as well as other non-profit organizations and for profit businesses have received a total of **\$1,490,852**. Go to <https://www.goferr.nh.gov/> to see a complete list and the amount of funding provided.

The Governor's Office for Emergency Relief and Recovery has initiated a number of financial aid programs to assist residents such as Supporting Children In Care Program, NH Housing Relief Program, Community College System of New Hampshire (CCSNH) Tuition Assistance Program and NH Agriculture Relief Program Expansion. Please go to <https://www.goferr.nh.gov/apply> for a description of each program and application deadlines.

SAFER AT HOME GUIDELINES

The Stay at Home 2.0 order has been replaced by Safer at Home. Guidelines still must be followed and can be found at <https://www.covidguidance.nh.gov/>

EVERSOURCE

In these difficult times, we want you to know that help is available. Additional funds were recently allocated to The New Hampshire Housing Relief Program to help customers experiencing financial hardship during the pandemic.

- Even if you have never applied before, if you have been laid off or had your hours reduced because of the pandemic, you may be eligible now for a one-time grant of up to \$2,500 or assistance over the course of several months.
- These funds can be used to pay housing or utility costs and will be sent on your behalf direction to your landlord or utility company.
- There is no income limit to qualify.
- This is not a loan and does not need to be paid back.

Apply online, or through your local community action agency. To find an agency nearest you, call 211. Please have copies of your utility bill handy for reference. [CLICK HERE](#) for more details.

NH DHHS Announces Online Purchasing Program for SNAP Recipients

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS), Division for Economic and Housing Stability (DEHS) has received approval from the U.S. Department of Agriculture (USDA) to participate in a pilot program that allows recipients of Supplemental Nutrition Assistance Program (SNAP) benefits to purchase and pay for groceries online. The [SNAP Online Purchasing Pilot](#) program allows the use of Electronic Benefits Transfer (EBT) cards to purchase eligible food items through two authorized online retailers, Amazon and Walmart.

“From the beginning of the COVID-19 emergency, we have worked hard to ensure that our residents are able to safely access the things their families need when they need them the most,” said Governor Chris Sununu. “Online purchasing provides additional flexibility for all Granite State SNAP recipients, allowing them more ways to use their SNAP benefits to make sure their families have access to healthy and nutritious food during the pandemic and beyond.”

“Online purchasing is one more way New Hampshire residents can access good nutrition throughout the duration of the COVID-19 pandemic,” said DHHS Commissioner Lori Shibinette. “Purchasing groceries online is safe, secure, and helps people maintain social distancing measures that help slow the spread of COVID-19 in our communities.”

Participation in the pilot program is one of several measures DHHS has taken to reduce concerns around food insecurity during the COVID-19 pandemic. Others include the issuance of emergency SNAP benefits; the extension of certification periods for SNAP recipients; a temporary suspension of SNAP work requirements for eligible individuals; participation in Pandemic EBT (P-EBT), which provides families with children enrolled in the National School Lunch Program additional SNAP benefits due to the loss of school meals during remote learning; and accepting applications by phone for the Women, Infants and Children program. SNAP recipients will be able to purchase eligible food items, but will not be able to use benefits for service or delivery charges.

The SNAP Online Purchasing Pilot was established by the federal 2014 Farm Bill, which mandated a

pilot to test the feasibility of allowing online transactions using SNAP benefits. In 2017, eight states were selected to be part of the pilot, which was launched in New York State in 2019, followed by Washington in January 2020. Additional states have joined the program as a result of the COVID-19 pandemic. For more information on the SNAP Online Purchasing Pilot program, please visit <https://www.dhhs.nh.gov/dfa/foodstamps/index.htm>.

NH Department of Health and Human Services Resource Guide and Warm Line to Support Families during COVID-19

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS), Division for Children, Youth and Families (DCYF) has developed two new resources to help children, youth, families and caregivers during the COVID-19 emergency.

The first is “[Supporting Child and Family Wellbeing During the COVID-19 Emergency](#),” a new resource guide with practical tips on how we can all support children and families during COVID-19. The guide also provides a list of resources available to families statewide. The second resource is the [Family Support Warm Line](#), a partnership between DHHS and Waypoint. The Family Support Warm Line is a no-cost, confidential phone support line focused on promoting family resiliency. Residents can call 800-640-6486 and speak with family support professionals and parent partners for help with managing family challenges, coping strategies, or emotional support during COVID-19.

“Our data has shown a decline in the number of calls made to DCYF from those community helpers who regularly see kids face to face, but this is continues to be a stressful time for families and our focus has to remain on prevention,” said DCYF Director Joseph Ribsam. “Having resources readily available and a place where parents and caregivers can turn if they need to talk to someone can make a difference for our families and guide them to the services they need to stay strong and healthy, before they reach a tipping point that leads to abuse or neglect.”

The efforts stem from [Emergency Order #22](#), issued by Governor Chris Sununu on April 1, which authorizes emergency funding for critical child protection services to ensure that New Hampshire families continue to receive the right services at the right time during the COVID-19 emergency. In addition to the Family Support Warm Line, the funding will support domestic violence and substance use supports, expansion of the DCYF Strength to Succeed Program, and additional technology support for DCYF-involved families.

March data from the Division for Children, Youth and Families (DCYF) shows a [decrease in referrals](#) to DCYF’s Central Intake, compared to the same time period over the past two years. New child abuse and neglect referrals are down nearly 50% each week overall. To learn more about recognizing the signs of child abuse and neglect, visit [Know and Tell](#), an education program offered through the Granite State Children’s Alliance, the Chapter Organization for the network of New Hampshire’s Child Advocacy Centers.

The Family Support Warm Line can be reached toll-free at 1-800-640-6486, Monday - Friday, 8:30 am - 4:30 pm. If you suspect child abuse or neglect, call the DCYF Central Intake line at (603) 271-6562 or toll-free (in state) at (800) 894-5533.

OYSTER RIVER COOPERATIVE SCHOOL DISTRICT SCHOOL BOARD NEWS

January 20, 2021

The annual Oyster River School District Deliberative Session will be held February 2, 2021 (weather-permitting) at the High School. The deliberative session is voters' opportunity to review, amend, and approve the budget and other items which will be on the ballot for March 9, 2021 town and school elections. The deliberative session will be held in the Auditorium, with the Gym available as additional seating. A separate room will be made available for attendees who do not wear face coverings.

Oyster River High School Class of 2021 Commencement will be held June 11, 2021, with a rain date of the next day.

Oyster River Middle School will begin hybrid in-person instruction on January 26th. Approximately 80% of 6th through 8th graders have elected to participate in class in-person, one full day each week.

The high school administration will continue collecting feedback and evaluating the proposed in-person hybrid model. There is no definitive implementation date at this time.
