NEW ICE SKATING RINK AT TOWN FIELD

WHAT A HUGE SUCCESS!

**Thank you to everyone for being respectful to each other on the ice.
Guidelines will be posted soon to ensure everyone's continued safety.**

The Lee Public Library Board of Trustees are pleased to announce that the schoolhouse portion of the Lee Public Library has been placed on the NH State Register of Historic Places. The library was one of six buildings that were chosen. The trustees want to thank Tom Coakley for leading the effort and Scott Bugbee, Phyllis White and Kevin Shenefiel for their help and information. REMEMBER THAT LEE HAS A SNOW CASTING ORDINANCE!

This means that you cannot throw, "cast," place or deposit snow or ice onto any plowed street or public way. [CLICK HERE](#) to read more. The fine for this violation can be up to \$100.00.
Please be sure that no vehicles are parked on a roadway during snow removal OR during a storm.

TRANSFER STATION

Open Tuesdays, Thursdays and Saturdays 7:00 am – 6:00 pm
The Swap Shop will remain closed until further notice.

YOU MUST WEAR A MASK WHILE AT THE TRANSFER STATION

PLEASE REMEMBER TO GET A TRANSFER STATION STICKER IF YOU DON'T ALREADY HAVE ONE

Ask for a sticker when you register your car. Or get one at the Transfer Station. Proof of residency, such as a recent utility bill, lease or rental agreement or recent tax bill and your car registration will be required. Please call the Town Hall @ 659-5414 with questions or refer to the Solid Waste Ordinance [HERE](#).

MIXED PAPER

Mixed paper should still be placed with Municipal Solid Waste (MSW) EXCEPT please separate your office paper and magazines from your mixed paper in order to start the Town's recycling revenue back up again. Acceptable paper items are copy paper, envelopes (windows ok), junk mail (no glossy mail), any magazines.

PLEASE CONTINUE PRACTICING SOCIAL DISTANCING

Both bays remain open as we have seen an improvement in the flow of traffic, but everyone has to maintain the recommended safe distance of 6' while inside. In order for our employees and residents to maintain a safe distance, employees will not be stationed on the wall during this time but will be available to answer questions.

PLEASE KEEP CHILDREN IN YOUR VEHICLE

PLEASE have your child(ren) stay in your vehicle while you are disposing of trash and recyclables. This is for their safety! If they have to be out of the vehicle please keep them next to you at all times and do not let them run through the Transfer Station, roadways or parking areas.

There are several important issues you must be aware of regarding your household trash and recycling disposal if you or anyone in your household has been quarantined for COVID-19 or has tested positive for COVID-19. Your trash and recycling must be handled and disposed of under different rules. Please consult Caren Rossi, Lee's Health Officer to discuss the new steps that must be taken. Email is crossi@leenh.org or phone at 659-6783. Thank you for your cooperation.

Bulky items are accepted at the Transfer Station, HOWEVER, payment will be by check only – there will be a drop box available. Employees will **not** be able to assist with removing items from your vehicle but will be available to guide you, weigh items, and answer your questions.

LEE FIRE & RESCUE DEPARTMENT

Scott M. Nemet
Fire Chief

20 George Bennett Road
Lee, New Hampshire 03861
(P): 603.659.5411 (F): 603.659.9611

Jeffery S. Liporto
Deputy Chief

The department remains fully staffed and operating during the Covid-19 pandemic to protect our community but must continue to modify the way we provide some of its services. The Safety Complex remains closed to all visitors for the foreseeable future, but business will continue to be conducted via phone or email. Go to <https://www.leenh.org/fire-department>.

Burn permits are still required for all outside burning and all State burning regulations are still in effect. Burning regulations and permits can be found [HERE](#). Please check to see what the fire class for the day is prior to lighting any outside fire. Class 3 day or higher, all outside burning is not allowed. You can find out what fire class day it is by visiting the NH Forest and Lands website or look at the road side board at the Public Safety Complex.

All station tours remain suspended as are all home visits for wood stove, burn permit and inspection purposes. Furnace installation inspections will be conducted on an emergency basis for emergency replacement only. All furnace replacement work shall be coordinated through the Fire Chief's office before any work is to be done. All Covid 19 related inquiries should be made to the Town's Health Officer, Caren Rossi 659-6783 or crossi@leenh.org.

Winter is here and we would like to pass on some friendly reminders for fire safety:

- Change batteries in your smoke and carbon monoxide detectors
- Have furnaces and water heaters (fuel burning) cleaned and inspected annually.
- Have woodstove and fireplace chimneys inspected and cleaned annually. Only burn seasoned hardwood to reduce creosote build-up. Burn your woodstoves at high temperatures occasionally to burn off creosote build-up in the chimney.
- During power outages practice generator safety and keep generators at least 10' from the house in a well-ventilated area. Never run them inside the house or a garage.
- Keep all vents on your home free and clear of snow and ice.
- Keep all means of egress from your home shoveled and clear for easy escape in case of fire.
- When the ponds and rivers freeze over stay off of the ice until it has been deemed safe to walk on. Ice should be at least 4" thick before being considered safe to walk on. Stay away from areas where there is running water or current as they will not freeze enough to hold a person's weight.

We hope you all have a safe and happy winter season. Remember to please wear a mask in public, practice social distancing and wash your hands frequently to help prevent the spread of Covid 19.

WHEN SECONDS COUNT... Please take the time NOW to SAVE TIME in an EMERGENCY.

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

PAYCHECK PROTECTION PROGRAM

The Paycheck Protection Program (PPP) provides loans to help businesses keep their workforce employed during the COVID-19 crisis. SBA is currently offering:

- [First Draw PPP Loans](#) for first time program participants
- [Second Draw PPP Loans](#) beginning January 13, 2021 for certain businesses that have previously received a PPP loan

SBA also offers additional [Coronavirus relief](#). More information about PPP can be found [here](#).

EVICTIION CLINIC

NH Legal Assistance and the Legal Advice and Referral Center have started a new online Eviction Clinic for tenants who are facing eviction or are confused about the eviction process. During the Clinic, lawyers and paralegals from both organizations will explain the eviction process and answer general questions. They will not be able to provide legal advice for specific cases.

The first Clinic was held on Wednesday, Jan. 20, 2021. Clinics will continue each week. During January and February, there will be one weekly Clinic on Wednesdays at 7 pm. On every other Wednesday, there will be an additional afternoon Clinic at 2 pm. Pre-registration is **not required**. The links for each week's Clinic(s) will be on NHLA's Facebook page and website.

COMMUNITY DEVELOPMENT FINANCE AUTHORITY (CDFA)

The CDFA will be accepting applications for all its programs for the 2021 calendar year. The application deadlines for all programs can be found [here](#). All applications must be received by CDFA through its [online grants management system](#) by 4pm for each deadline.

NH FOOD BANK – UPCOMING MOBILE FOOD PANTRIES

The NH Food Bank will be hosting several mobile food pantries across the state this month using a drive-thru distribution model. Recipients will remain in their car and fresh produce, non-perishable items and more will be delivered right to them. These events are open to anyone in need. More information about upcoming mobile food pantries – including dates, times and locations – can be found [here](#).

FEDERAL RESERVE

The Federal Reserve Board adjusted the terms of the Main Street Lending Program in 2 important ways to better target support to smaller businesses that employ millions of workers and are facing continued revenue shortfalls due to the pandemic. In particular, the minimum loan size for three Main Street facilities available to for-profit and non-profit borrowers has been reduced from \$250,000 to \$100,000 and the fees have been adjusted to encourage the provision of these smaller loans. The Board and Department of the Treasury also issued a new frequently asked question clarifying that Paycheck Protection Program loans of up to \$2 million may be excluded for purposes of determining the maximum loan size under the Main Street Lending Program, if certain requirements are met, which should also help smaller businesses access Main Street loans. More information can be found [here](#).

FEDERAL FUNDING FOR NH

- **Low Income Home Energy Assistance Program** – NH is set to receive \$25,117,942 in assistance under the Low Income Home Energy Assistance Program (LIHEAP). More information can be found [here](#).
 - **Funding to Support NH Outdoor Recreation & Forest Economies** – NH has been awarded \$467,410 from the Northern Border Regional Commission (NBRC) and U.S. Department of Agriculture (USDA) to support the state's outdoor recreation and forest economies. These grants will be allocated through NBRC and USDA's State Economic & Infrastructure Development program and help create and retain jobs and promote economic growth in rural Granite State communities. More information can be found [here](#).

NH DHHS Announces Online Purchasing Program for SNAP Recipients

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS), Division for Economic and Housing Stability (DEHS) has received approval from the U.S. Department of Agriculture (USDA) to participate in a pilot program that allows recipients of Supplemental Nutrition Assistance Program (SNAP) benefits to purchase and pay for groceries online. The [SNAP Online Purchasing Pilot](#) program allows the use of Electronic Benefits Transfer (EBT) cards to purchase eligible food items through two authorized online retailers, Amazon and Walmart.

"Online purchasing is one more way New Hampshire residents can access good nutrition throughout the duration of the COVID-19 pandemic," said DHHS Commissioner Lori Shabinette. "Purchasing groceries online is safe, secure, and helps people maintain social distancing measures that help slow the spread of COVID-19 in our communities."

The SNAP Online Purchasing Pilot was established by the federal 2014 Farm Bill, which mandated a pilot to test the feasibility of allowing online transactions using SNAP benefits. In 2017, eight states were selected to be part of the pilot, which was launched in New York State in 2019, followed by Washington in January 2020. Additional states have joined the program as a result of the COVID-19 pandemic. For more information on the SNAP Online Purchasing Pilot program, please visit <https://www.dhhs.nh.gov/dfa/foodstamps/index.htm>.

NH Department of Health and Human Services Resource Guide and Warm Line to Support Families during COVID-19

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS), Division for Children, Youth and Families (DCYF) has developed two new resources to help children, youth, families and caregivers during the COVID-19 emergency.

The first is “[Supporting Child and Family Wellbeing During the COVID-19 Emergency](#),” a new resource guide with practical tips on how we can all support children and families during COVID-19. The guide also provides a list of resources available to families statewide. The second resource is the [Family Support Warm Line](#), a partnership between DHHS and Waypoint. The Family Support Warm Line is a no-cost, confidential phone support line focused on promoting family resiliency. Residents can call 800-640-6486 and speak with family support professionals and parent partners for help with managing family challenges, coping strategies, or emotional support during COVID-19.

“Our data has shown a decline in the number of calls made to DCYF from those community helpers who regularly see kids face to face, but this is continues to be a stressful time for families and our focus has to remain on prevention,” said DCYF Director Joseph Ribsam. “Having resources readily available and a place where parents and caregivers can turn if they need to talk to someone can make a difference for our families and guide them to the services they need to stay strong and healthy, before they reach a tipping point that leads to abuse or neglect.”

The efforts stem from [Emergency Order #22](#), issued by Governor Chris Sununu on April 1, which authorizes emergency funding for critical child protection services to ensure that New Hampshire families continue to receive the right services at the right time during the COVID-19 emergency. In addition to the Family Support Warm Line, the funding will support domestic violence and substance use supports, expansion of the DCYF Strength to Succeed Program, and additional technology support for DCYF-involved families.

March data from the Division for Children, Youth and Families (DCYF) shows a [decrease in referrals](#) to DCYF’s Central Intake, compared to the same time period over the past two years. New child abuse and neglect referrals are down nearly 50% each week overall. To learn more about recognizing the signs of child abuse and neglect, visit [Know and Tell](#), an education program offered through the Granite State Children’s Alliance, the Chapter Organization for the network of New Hampshire’s Child Advocacy Centers.

The Family Support Warm Line can be reached toll-free at 1-800-640-6486, Monday - Friday, 8:30 am - 4:30 pm. If you suspect child abuse or neglect, call the DCYF Central Intake line at (603) 271-6562 or toll-free (in state) at (800) 894-5533.

March: Votes for Women: A History of the Suffrage Movement (Wednesday, March 3, 2021 at 7:00pm)

Presenter: Liz Tentarelli

Suffragists stand on the steps of the New Hampshire Historical Society in 1915. The group includes a number of men who were a significant part of the movement. *Photo Courtesy of the New Hampshire Historical Society.*

The campaign for women's right to vote was a long one, from the 1848 Women's Rights Convention in Seneca Falls, New York to ratification of the 19th amendment in 1920. Who were the key players in New Hampshire and the nation? What issues and obstacles did they face? How did suffragists benefit from World War I in the final push for passage of the women's suffrage amendment? Who was left out when women got the right to vote? Using historic photos and documents, Liz Tentarelli will

guide us on the journey. Liz is president of the League of Women Voters NH, a non-partisan organization that is the direct descendant of the National American Woman Suffrage Association.

Regional & State News & Events

OYSTER RIVER COOPERATIVE SCHOOL DISTRICT SCHOOL BOARD NEWS

February 3, 2021

Oyster River High School will begin a 50% in-person hybrid model by March 8th which will provide students the opportunity to be in the building 2 full days per week. The time between now and March 8th will involve families indicating whether they plan for students to attend the 50% in-person or fully remote option, for teachers to plan for the change, high school administrators to ensure staff and space plans, and transportation to develop new bus routes.

The school board approved installation of a grandstand at the High School track/turf field. The contractor has committed to having the grandstands in place to be used for outdoor graduation ceremonies for the class of 2021. The grandstand will be dedicated to the Oyster River Classes of 2020 and 2021.

Dr. Morse recognized the work of the transportation department, led by Lisa Huppe and an incredibly dedicated bus driver and support team. Because of the constantly changing school models and targeted learners in school buildings each day, virtually every day has a new and unique bus route. This team, along with many others, has demonstrated exceptional flexibility and commitment this school year.

Teacher workdays originally scheduled for March 19th and May 28, 2021 will be moved to the end of the school year. There will be school on March 19th and May 28th.

The ORMS Go Vote Committee was recognized at the ORCSD Deliberative Session as the Oyster River School District's Distinguished Service Award Recipients. This group including Mike Anderson, Krista Butts, Brian Cisneros, Kathy Collins, Denise Day, Mark DeTurk, Paul Gasowski, Martie Gooze, Debbie Harmon, Erik Ickes, Katrin Kasper, Julie Kelley, Richard Kelley, Anita Mathur, Thomas Newkirk, John Parsons, Julie Reece, Robert Sullivan, and Fred Wolff who worked tirelessly to educate and secure community support resulting in the approval of the new middle school project last year. A plaque recognizing this group will hang in the new middle school upon completion. THANK YOU and CONGRATULATIONS!

The Deliberative Session approved each item on the school district warrant, which will now go before voters of Durham, Lee, and Madbury on March 9th.

OYSTER RIVER COOPERATIVE SCHOOL DISTRICT MEET THE CANDIDATES NIGHTS
