**DENIS HAMBUCKEN PRESENTS HIS BOOK
'A G.I. IN THE ARDENNES: THE BATTLE OF
THE BULGE'**

**Wednesday, April 1st 7:00 pm
Lee Safety Complex**

The Battle of the Bulge was the last major German offensive on the Western Front during World War II and took place from 16 December 1944 to 25 January 1945. Denis' book chronicles the human experience of that battle. His book includes countless pictures and anecdotes on how the GI's coped with both the ordinary and extraordinary during the battle. Many of us may know of someone that went to battle during World War II. Denis' presentation will help us to achieve an understanding of the truly human side of war. This presentation is free and open to the public. Refreshments will be served.

The Lee Heritage Commission has created a series of historic marker plaques that are being awarded to the owners of historic barns in Lee who have successfully applied for historic preservation easements for their barns. The wording on each plaque states, *"This barn has been recognized by the Lee Heritage Commission as one of the town's important historical buildings"*.

Every time we share a photo of a barn plaque presentation, we will also try to share some of the history of that barn – and the families that have owned it. Last weekend the Heritage Commission had the honor of presenting the Blomquist/McCaffrey family from 1 Lee Hill Road in Lee with a plaque that acknowledges the historic importance of the Durgin Barn to the Town of Lee. The Durgin barn is the current home of the Avenue Victor Hugo Bookshop.

(L-R: Patricia Jenkins (Chairperson of the Lee Heritage Commission), Frederic Blomquist (age 9 months), Elisabeth McCaffrey (Heritage Commission member), Andrew Blomquist (age 2.5), Laura Gund (Heritage Commission member) (Photos by Scott Bugbee)

Durgin Barn History: (from notes kindly provided by Elisabeth McCaffrey)

The Durgin barn is located on the farm previously owned by Jim Walker who raised cows and chicken and sold farming implements out of the barn. Mr. Walker resided in the current white house and ran his business from the barn from approximately 1925 to 1956. Prior to Mr. Walker, an R Caverly Durgin owned the property, including the barn, and a colonial era house that burnt down. The current white colonial-style house on the property was built on the site of the original house around 1919.

The barn began as a modest 20 foot x 30 foot hand-hewn, two-story barn built sometime around 1750. The barn's simple exterior masks a completely different story told by the interior and structure of the barn. By examining the interior, it becomes evident that the barn was added to twice over its lifetime.

The original footprint was extended by 12 feet when a rear bay was later added. The joining of this addition was post-and-beam with mortise and tenon connections tree-nailed together.

A second addition came much later, consisting of a combination of post-and-beam and stub framing. It also added 28 inches to the height and completely rebuilt the structure of the roof. The loft was raised at this point to allow for great overhead clearance.

Overall, the structure shows the New England tradition of adaptability in construction, showing the changes what happen to agricultural structures as needs change and building methods evolve. In this way, the barn can be seen as an historic record in itself.

We'll publish more photos of Lee historic barn owners accepting their plaques in the coming weeks, along with historic notes about the barns and the people who owned them.

WHEN SECONDS COUNT...

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. Some mailboxes are clustered together. The numbers are small and the location may not mark the entrance to your driveway.

The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

Please take the time NOW to SAVE TIME in an EMERGENCY.

FOSTER HOMES NEEDED IN STRAFFORD COUNTY

Foster children come from your town, your neighborhood, and your school. They are friends of your child, members of your church, and kids on your little league team. They are babies, toddlers, school-aged kids, and teenagers. They are brothers and sisters who need to stay together. Due to a situation beyond their control, they have to be displaced from their homes and put into a temporary home. They need support, guidance and love. They need a safe place to call home while their family works to put itself back together. Are you able to make a difference in a child's life? Are you able to open your home to a child from your community – enabling them to remain in a familiar school, with familiar friends?

There is a real need for foster homes in the Merrimack and Strafford County areas for Children of all ages & sibling groups. If you've ever thought about becoming a foster parent, now is the time to call. You decide what you can handle.

If you'd like to learn more about the foster care program, please contact Dawn Ghiorzi, Recruitment and Licensing Specialist, with Ascentria Care Alliance at 603-931-9582 or at dghiorzi@ascentria.org. For more information on how you may help foster children in the Lee community please call Sally Cedarholm at the Lee Church 603-659-2861 or email her at leechurchucc@comcast.net.

OYSTER RIVER COOPERATIVE SCHOOL BOARD NEWS

A Zero Waste Community Supper will be held April 22nd, sponsored by the ORHS Sustainability Club, ORCSD Sustainability Committee, Lee Sustainability Committee, and Oyster River Child Nutrition Department. Mark your calendars!

The School District has been in frequent contact with the NH Department of Health and Human Services and the Department of Education regarding recommendations and response to COVID-19 (Coronavirus), and is following latest CDC and State guidance. Special thanks to the Facilities, Transportation, and Child Nutrition departments, which have stepped up disinfection and cleaning procedures.

NHES Operation VET Connect

Operation VETS Connect is a challenge to connect those who served and those who are serving and their spouses to employment, training and services they need to return to employment or into training to assist them with obtaining employment. Additional goals are to build an employer's awareness of the benefits to hiring those who served along with the awareness for those who served of the skills they have or need to build on to return to employment.

Employers are asked to register for the challenge by completing the registration form on the website under Job Fairs. (<http://www.nhes.nh.gov/media/job-fairs/index.htm>) The information from their registration form will be entered into a spreadsheet by Operations staff and made available to the offices. The employer name, industry, and town/city will also be listed on the website weekly. ESRs and LVERs should verify that the employer is registered in JMS and if appropriate, contact the employer to advise of the services available to them.

Veterans, those currently serving and their spouses are also asked to complete a registration form on the website under Job Fairs. (<http://www.nhes.nh.gov/media/job-fairs/index.htm>) Their information will be entered into a separate spreadsheet and distributed to the office nearest their homes. [CLICK HERE](#) for the Operation VET Connect Flyer

If you are a Lee Resident in need of assistance with a Veteran's issue the Lee Memorial VFW Post 10676 may be able to help.

This post serves the communities of Lee, Durham, Madbury and Newmarket and has Service Officers who can help folks with just about any Veteran's related issue. At the State level they have a seat on the SVAC (State Veterans Advisory Committee) and are linked with tens of other non-profit Veterans organizations that provide a host of services. Please contact Andy Corrow, Commander, VFW Post 10676, at 603-397-9267 or vfwpost10676@yahoo.com for assistance.

ATTENTION!

To receive the E-CRIER via email every week go to www.leenh.org, click on the **Subscribe** button under the Town Resource Center section & follow the directions to subscribe.

If you do not have the internet please come to Town Hall for a **printed copy** or go to the Library to view it there. If you cannot leave your home please call Town Secretary Denise Duval at 659-5414 to have it mailed!
