LEE TRAILS COMMITTEE AT WORK AT MAUD JONES

The Lee Trails Committee spent last Saturday at Maud Jones Memorial Forest painting new blazes on the trees and trimming brush near the trails. The new trail to the esker lookout is blazed white and the Aldo Leopold bench is a wonderful spot to look out over the stream. Thanks to the Captain Parker neighborhood for the bench! The Committee is working on the trails at Little River Park this week. Check out the trails and let us know what you think!

CONSERVATION MONITORING IN LEE

From now until early fall, join the Conservation Commission on Wednesday mornings as they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to walk along, go to <https://www.leenh.org/conservation-commission> and email the Conservation Commission Chair Dawn Genes by clicking on her name. Monitoring begins at 9:00 am and generally takes 1½-2 hrs. Most outings require traversing through thick brush. Standard precautions for COVID, ticks & mosquitoes are advised.

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

OYSTER RIVER COOPERATIVE SCHOOL DISTRICT SCHOOL BOARD NEWS

April 21, 2021

The Oyster River School Board began its April 21st meeting by formally recognizing the leadership of Tom Newkirk as chair for the past 7 years, approving a proclamation of appreciation.

All Oyster River students now have the option of attending school full days, 5 days per week. All staff had the opportunity to receive their 2nd vaccinations on April 19. School district staff have once again reconfigured and replanned classrooms, shared spaces, and transportation throughout the district to accommodate all students.

As most Oyster River students return to full days at school, 5 days per week, the School Districts asks for continued vigilance around coronavirus precautions. There are active cases and recent exposure events that have affected specific programs and teams within Oyster River recently. Community cooperation is a critical piece to the success of in-person learning.

The federal program providing FREE BREAKFAST AND LUNCH to all Oyster River students has been extended through the rest of this school year and through the 2021-2022 school year. The district only receives funds for meals actually served to students.

The Middle School will add a 4th school counselor beginning in 2021-2022 school year. The position will initially be grant-funded. This is reinstating a role that was eliminated several years ago.

The School Board and Administration are working to resolve the future of the Oyster River Chinese Mandarin Program because of the recent announcement that UNH is ending its relationship with the Confucius Institute as of July 31. The UNH/CI has hired and funded Mandarin teachers in Oyster River schools. This topic will be on the agenda for the May 5th regular school board meeting.

Spring break for Oyster River runs April 24th - May 2nd. School resumes on May 3rd.
