Supervisors of the Checklist to Verify the Voter Checklist

NH law requires that the Supervisors of the Checklist verify the checklist every ten years, and this is the year. Any person on the checklist who has not voted in the past four years (since April 1, 2017) must re-register to remain on the checklist. On **Wednesday, June 2nd, at the Lee Town Offices at 8am** the Supervisors will approve which voters will be sent a 2021 Verification of Checklist letter and then prepare the letters. If your household should receive one of these letters and the person no longer lives there, simply throw away the letter. Unfortunately, people who registered last fall but then did not vote or whose absentee ballot arrived late, will also receive a letter and will need to re-register at some point.

A 2nd session will be held by the Supervisors of the Checklist on **Thursday, July 22nd from 6-7pm in the Lee Library parking lot (hobo shed located in that lot if raining)** to allow voters that received the 2021 Verification of Checklist letter an opportunity to re-register. Voters that still live in Lee and would like to remain on the checklist may come before us at this time or go to the Lee Town Clerk's office during normal business hours before July 22nd. At this July 22nd session, Supervisors will also accept applications for new voter registration and accept requests for the correction of the checklist and/or change of political party affiliation. Voters may check their party affiliation online [HERE](#).

Applicants for registration or re-registration, whether at the Clerk's office or with the Supervisors, should bring with them proofs of identity, age (18 by the next election), citizenship, and domicile. Affidavits may be signed under oath if proofs are lacking.

Questions can be directed to the Town Clerk's office, 603-659-2964 x308 or any Supervisor.

9TH ANNUAL RAID ROCKINGHAM BICYCLE RIDE

LOOK OUT FOR RIDERS PASSING THROUGH LEE ON SUNDAY, JUNE 6TH

The riders will adhere to any NH event guidelines in place at the time. There is a lower than usual turnout this year, fewer than 400 riders. The ride originates in Newmarket and by the time they reach Lee the riders will be spread out thinly - it should look like any other Sunday in Lee, with cyclists sharing the road with motorists.

The route will enter Lee on Rt 152, from the West side of Rt 125. Riders will cross Rt. 125 and enter Demeritt Ave, on to Cartland & Lee Hill. Riders will then pass through Lee on Rt 155 and exit via Packers Falls. Most rider activity will take place from 10:30 am - 12:30 pm.

It will be explained to all riders that rules of the road are to be observed, with particular emphasis on the Rt 125 signal (There will be warning signage up as cyclists approach this intersection).

ANNUAL MODEL ROCKET DAY IS BACK

Saturday, June 12th 9:00 am Little River Park

Rain Date Saturday, June 26th

Hosted by the Lee Recreation Commission

Unfortunately, the Fishing Derby will not take place this year, but the Rec Commission will be sponsoring the Music in the Park again beginning on July 8th at the Little River Park pavilion. This program will run for 8 weeks on Thursday evenings so keep a look out for the schedule. There is great talent lined up this year so don't miss out!

The Commission is still hoping to offer archery this year if they can line up an instructor. If you know anyone who may be interested please have them reach out to larrykindberg@comcast.net.

CURRENT USE LANDOWNER SURVEY

We are counting on your participation! Please respond by June 16th.

NH Farm Bureau has teamed up with the NH Timberland Owners Association, Society for the Protection of NH Forests, and SPACE (Statewide Program of Action to Conserve our Environment – NH's Current Use Coalition) to jointly conduct a survey of Current Use landowners regarding the state's Current Use program. **The results of the survey are key to updating information in support of the state's Current Use program.** To conduct the survey we have hired Pan Atlantic Research based in Portland, ME, a highly recommended and experienced market research and consulting firm. Pan Atlantic will tabulate the responses and report to us on the results.

To participate: Go to: <https://www.research.net/r/NHCurrentUse> or you may contact the Farm Bureau office at 224-1934 or email robj@nhfarmbureau.org and you will be sent a paper copy of the survey via US Mail along with a postage paid envelope addressed to Pan Atlantic Research. Your answers are provided anonymously and the information you provide will be used in the aggregate only. The survey consists primarily of multiple choice questions with a limited number of short answer questions. It updates a Current Use landowner survey from 2007, also conducted by Pan Atlantic Research. Thank you for your participation!

LEE TRAILS COMMITTEE AT LITTLE RIVER PARK

We will be working on the Town Forest trails next. Our goal is to make the Town Forest trails clearer and less confusing for people as they walk. In working towards that goal, the Trails Committee put up yellow, red, and blue flagging to pre-mark the trails in preparation for blazing. Some of the flagging has been removed, which is disappointing and frustrating. The Committee is working hard to make the town trails accessible to everyone. You can help by leaving their work where you see it.

As a reminder: flagging on Town lands is there for a purpose. Flagging is used for trails markers, survey markers, parcel boundaries, education programs, research projects, and other Town sanctioned purposes. Because it is on Town land, it is not to be removed for any reason, except by the person(s) who put it there.

If you have suggestions or comments about what the Trails Committee is doing, please email Deb Sugerman at debsugerman@gmail.com. We love to hear your feedback on the work that we are doing. Thanks for your support

Another great work day by the Lee Trails Committee (plus nine volunteers!) at Little River Park. Check out the new blazes and the erosion control measures.

CONSERVATION MONITORING IN LEE

From now until early fall, join the Conservation Commission on Wednesday mornings as they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to walk along, go to <https://www.leenh.org/conservation-commission> and email the Conservation Commission Chair Dawn Genes by clicking on her name. Monitoring begins at 9:00 am and generally takes 1½-2 hrs. Most outings require traversing through thick brush. Standard precautions for COVID, ticks & mosquitoes are advised.

TOWN OF LEE PROPERTY VALUES UPDATE

Cross Country Appraisal Group (CCAG) will be in town to look at properties for the purpose of verifying sales data for the time period 4/1/2019-4/1/2021 as part of the ongoing town-wide revaluation process. Rick Earls, CCAG Appraiser, has signs on his car, carries an ID card, and his vehicle is a Blue Kia Nero with license plate CCAG 4.appraisers. This process will be completed over the next few months resulting in new values for the fall tax bill. All properties that have sold between (4/1/2019-4/1/2021) will be re-measured and listed. OYSTER RIVER COOPERATIVE SCHOOL DISTRICT SCHOOL BOARD NEWS

May 19, 2021

The Mast Way School requests that all community members and their dogs avoid the school playground during school hours,

ORCSD will hold a forum on May 25 called "Diversity, Visibility, and Standing Together in Oyster River." It will focus on Asian American History & Current Issues, with our district's significant Asian population and with the recent increase in anti-Asian violence nationally -- but it's really part of the district's commitment to celebrating diversity and recognizing and dismantling systemic racism of all kinds. UNH Professor Monica Chiu, also a Durham resident and parent, will give a brief presentation, then we'll hear about some Asian American family experiences and have an open community discussion. Everyone is encouraged to attend. This event will be Tuesday, May 25th, from 6-7:30 in the ORHS auditorium.

The Oyster River School Board recognized the contribution of Student Representative Megan Deane. Megan joined the board during the pandemic and has been an important part of discussion and decision making over the last year. She is graduating in June and will attend UNH in the fall. Thank you and Congratulations, Megan.

The Oyster River School District is recognizing 23 retirees who have dedicated a combined 560+ years of service to Oyster River students. These individuals have had direct impact on tens thousands of students over their careers and leave a lasting mark on our schools and community.

Director of Student Services Catherine Plourde and Director of Athletics Andy Lathrop are updating district mask and distancing requirements for middle/high school PE and athletics activities. Requirements for indoor class and school day activities are remaining unchanged through the end of the school year.

Framework for Fall 2021 school opening will be on the agenda for the School Board's June 2 meeting.
