The Select Board urges all residents to refrain from watering lawns and washing cars and to conserve water as much as possible.

Raindrops Aren't Falling on Our Heads by Jen Messeder, LSC member

With all the rain we got this spring, it's hard to believe we might be heading into a drought. But, such is New England weather. Last Thursday, the New Hampshire Department of Environmental Services (NHDES) issued a [press release](#) advising residents in most of Southern New Hampshire of 'abnormally dry conditions.' The Lee Sustainability Committee thought this might be a good time to remember past droughts and to encourage Lee residents to conserve water.

Some years ago, Leslie Adams wrote an article for the LSC called "A Reminder to Save Water," and the conservation ideas in that article are just as pertinent today. Check it out on the [LSC's web page](#).

TOWN MUNICIPAL OFFICES RE-OPENING PLANS

Almost as soon as Governor Sununu declared a state of Emergency due to the pandemic, employees have been working on a rotating schedule at Town Hall and the Annex so that only one person at a time is on site while the other employees work remotely. Although the work is still getting done, it is certainly not the most efficient system; and, while the public has been most kind and patient, they, too, are ready for us to get to the next phase of working with Covid-19 as a reality for the foreseeable future.

Although Town Hall is a lovely, historic building, the Select Board has determined, through consultation with architects and engineers, as well as town staff, including the Health Officer and Emergency Management Director that the structure is not conducive to being modified in such a way as to make it safe and effective for both the employees and members of the public.

Therefore, the Select Board, after a number of public discussions, is moving forward with plans to lease an office building on Rte. 125 owned by Daley Realty Trust. Town employees who normally work out of Town Hall and the Annex would move into this building. The target date for this is September 1st, although that requires a lot to happen in a short amount of time.

We are working with Mr. Daley on a lease agreement and with the NH Department of Transportation to ensure a prudent means of ingress and egress off of Rte. 125. We have received quotes for the modifications that will need to be made to the building in order to provide safe spaces for the public and employees to socially distance from each other. Each department will have its own entrance to the building (these entrances already exist) and each entrance has sufficient parking. The Department of Revenue has approved the Select Board's request for an emergency appropriation, with funds to come out of the unassigned fund balance so that no additional taxpayer dollars will be required for the modification costs and twelve months' lease payments. We are confident that some, if not all, of these costs will be reimbursed through the Covid-19 Municipal Relief Fund.

The Select Board has been meeting regularly via the Zoom platform and we invite all members of the public to join us as we continue to discuss this plan. Agendas, minutes and videos of the meetings can be found on the town's website leenh.org.

NH HOUSING RELIEF PROGRAM

As you know, the Governor's Office For Emergency Relief and Recovery (GOFERR) allocated \$35 million from the \$1.25 billion in federal funds that NH received from the CARES Act State-Local Coronavirus Relief Fund towards a new [Housing Relief Program](#) to assist families and individuals facing housing insecurity as a result of the COVID-19 pandemic. The program will have two components: 1) one-time grants for households that suffered a limited short-term loss of household income or increased expenses that threaten the family's ability to maintain its housing; and 2) short-term rental assistance program. The GOFERR office will provide the funds to NH DHHS to be distributed to the state's Community Action Program (CAP) agencies who already administer similar assistance programs. Today, CAP agencies released more information about the program. More details, including how to apply to your local CAP, can be found [here](#).

**ON JULY 6, 2020 THE GOVERNOR'S OFFICE IN CONJUNCTION WITH THE
DEPARTMENT OF REVENUE ADMINISTRATION AND NH EMPLOYMENT SECURITY
ANNOUNCED THE OPENING OF THE NH SELF EMPLOYED LIVELIHOOD FUND.**

[CLICK HERE](#) for details.

PLEASE BE ADVISED THAT WE ARE NOT WIPING DOWN PLAYGROUND EQUIPMENT, PICNIC BENCHES OR ANY OTHER SURFACES

The Town of Lee urges our residents and visitors to do their part to prevent the spread of COVID-19 in our community. If you go to a park or trail to exercise, use extreme caution. Maintain at least 6 feet of distance between yourself and others when outside and wear a mask if you cannot maintain this distance. Cookouts are also not permitted in Little River Park, until further notice. Avoid touching surfaces including playground equipment, benches, and other sports equipment that are handled by others.

YARD SALES AND TREE CUTTING NOTICE

Yard Sales are now allowed, but you may only place a sign on your own property or at a friend's house (be sure to get permission first) and remove the signs promptly after the yard sale is over. Signs are not allowed in the Lee triangle (where George Bennett, Mast and Lee Hill Roads meet) or on any other town-owned property, including on the side of both state and town roads. You must follow the guidance for retail establishments as well as the universal guidelines established by the Governor's office found here <https://www.covidguidance.nh.gov>

Although it is great to have your trees "removed for free" be sure that the logger follows all of the laws pertaining to tree cutting. As the homeowner, please reach out to Caren Rossi to see what is required, i.e. no-cut buffers, Intent to Cut form, etc. Unfortunately, I have seen many homeowners become a victim of this "offer" and it ends up costing the homeowner more money to fix the problems created by the "free" removal than hiring a company to remove them correctly. Unfortunately, the fault lies with the homeowner and you may have more than just brush to clean up.

TOWN CLERK'S OFFICE NOTICE

The Town Clerk/Tax Collector's Office is currently experiencing a higher volume of calls than usual, so if your call is not immediately answered, please leave a message or email estone@leenh.org. The office will try to respond to all messages on the same business day if left no later than 3 pm; any messages left after 3 pm will be answered on our next business day.

TOWN CLERK / TAX COLLECTOR OFFICE COVID-19 PROCEDURES **COVID-19 HOURS: MONDAY, WEDNESDAY AND FRIDAY 8-4**

There is now a walk up service window located outside the Town Clerk's Office. This does not change the way the office is conducting business while the building is closed. If you cannot conduct your business online or by dropping it off in the box outside then please call the office at 659-2864 to schedule an appointment.

RENEWING VEHICLE REGISTRATIONS:

- If you have a vehicle currently registered in Lee and it is not more than 6 months late, you can register online at www.leenh.org. The registrations and decals are then mailed to you;
- If you have your Lee renewal notice, you can renew by mail or drop it off at the Town Clerk/Tax Collector Lock Box along with a check made out in the correct amount to the Town of Lee. We will then mail you the registrations and decals.

Please note - We always try to send renewal notices. If you are unable to do one of the above options for any reason, please call our office at 659-2964.

NEW VEHICLE OR NEW TO LEE: If you are new to Lee, or if you have a NEW REGISTRATION, please call 659-2964 to make an appointment to come to Town Hall. **Temporary plates issued on or after February 26, 2020 expired on May 31, 2020.**

VITAL RECORDS REQUESTS: These can be done online at www.leenh.org. The directions will indicate that it is required to email your ID in order to complete this request. Please email your ID to estone@leenh.org.

DOG LICENSES:

- If your dog was registered for 2019-2020 and the rabies is still up-to-date, you can renew the registration online.
- If the rabies is not up-to-date, then we need proof from the vet. You can mail it, email it (estone@leenh.org) or fax it (603-659-7202) to us and then you can do it online or through the mail or drop box.
- NEW DOGS cannot be done online. We need owner's birthday, phone number, address, dog's name, breed, and color and proof of rabies from the vet. If they are spayed or neutered we need proof. Altered dogs are \$6.50 and unaltered dogs are \$9. Puppies under 1 year are \$6.50. You can send us via mail or drop box this information with a check in the correct amount to the Town of Lee and we will mail your license.

INSTRUCTIONS FOR PAYING YOUR LEE PROPERTY TAX BILL

1. **TC/TC Lock Box** – This is labeled and located to the left of the entrance to the Town Hall building. Please leave payment in an envelope with the payment stub. If you want a receipt, please include a self-addressed, stamped envelope or include your email address.
2. **Mail** - Mail it to our office at 7 Mast Road, Lee, NH 03861. Again, please include the payment stub with your check. If you would like a receipt, please include a self-addressed, stamped envelope or include your email address.
3. **Online** – Go to www.leenh.org. Click on the property taxes button under Town Resource Center. There you may pay via ACH or credit card. There are additional fees associated with this method.

If you need to meet with us, please call the office 659-2864 to schedule an appointment. Thanks for understanding and stay safe!

Stay at Home Order Expired June 15, 2020

The Stay at Home 2.0 order has been replaced by Safer at Home. Guidelines still must be followed and can be found at <https://www.covidguidance.nh.gov/>

Town Offices remain closed to the public at this time but we are working on a plan to be able to reopen to the public. Town employees continue to work both remotely and on site and remain committed to ensuring the safety of both employees and the public.

Please stay safe and keep everyone else safe by continuing to follow the CDC's guidelines – limit social contact – wash your hands – stay in if you are sick – clean and sanitize surfaces.

SMALL BUSINESS ADMINISTRATION UPDATE

The SBA and Treasury Department have released the Paycheck Protection Program (PPP) Loan Forgiveness Application and detailed instructions for the application. [Click here](#) to view the application and instructions. The SBA will be helping businesses with the process along with their partners at SCORE, NH-SBDC, and the CWE. In addition to continued funding available for PPP for anyone that has not applied, they continue to offer forgiveness of 6 months of payments on ALL SBA loans through September 27, 2020.

A few workshops that businesses may be interested in are listed on their web page at www.sba.gov/nh.

Based on the request of Governor Sununu, the SBA has declared a disaster declaration for the entire State of NH based on economic injury due to the novel coronavirus (COVID-19).

All the details including the joint press release, the loan application process, assistance for government contractors, and other resources can be found [here](#).

Small businesses looking for assistance should reach out to one of the following partners for help with things such as filling out paperwork, questions or even advice. These partners include SCORE, NH Small Business Development Center, and the Center for Women & Enterprise (NH's Women Business Center and Veterans Business Outreach Center). You will find links to these partners at www.sba.gov/nh.

Since this is still a developing situation, to keep up to date on all activities effecting NH small businesses, please join our mailing list [click here](#).

NH Department of Health and Human Services Resource Guide and Warm Line to Support Families During COVID-19

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS), Division for Children, Youth and Families (DCYF) has developed two new resources to help children, youth, families and caregivers during the COVID-19 emergency.

The first is “[Supporting Child and Family Wellbeing During the COVID-19 Emergency](#),” a new resource guide with practical tips on how we can all support children and families during COVID-19. The guide also provides a list of resources available to families statewide. The second resource is the [Family Support Warm Line](#), a partnership between DHHS and Waypoint. The Family Support Warm Line is a no-cost, confidential phone support line focused on promoting family resiliency. Residents can call 800-640-6486 and speak with family support professionals and parent partners for help with managing family challenges, coping strategies, or emotional support during COVID-19.

“Our data has shown a decline in the number of calls made to DCYF from those community helpers who regularly see kids face to face, but this is continues to be a stressful time for families and our focus has to remain on prevention,” said DCYF Director Joseph Ribsam. “Having resources readily available and a place where parents and caregivers can turn if they need to talk to someone can make a difference for our families and guide them to the services they need to stay strong and healthy, before they reach a tipping point that leads to abuse or neglect.”

The efforts stem from [Emergency Order #22](#), issued by Governor Chris Sununu on April 1, which authorizes emergency funding for critical child protection services to ensure that New Hampshire families continue to receive the right services at the right time during the COVID-19 emergency. In addition to the Family Support Warm Line, the funding will support domestic violence and substance use supports, expansion of the DCYF Strength to Succeed Program, and additional technology support for DCYF-involved families.

March data from the Division for Children, Youth and Families (DCYF) shows a [decrease in referrals](#) to DCYF's Central Intake, compared to the same time period over the past two years. New child abuse and neglect referrals are down nearly 50% each week overall.

To learn more about recognizing the signs of child abuse and neglect, visit [Know and Tell](#), an education program offered through the Granite State Children's Alliance, the Chapter Organization for the network of New Hampshire's Child Advocacy Centers.

The Family Support Warm Line can be reached toll-free at 1-800-640-6486, Monday - Friday, 8:30 am - 4:30 pm. If you suspect child abuse or neglect, call the DCYF Central Intake line at (603) 271-6562 or toll-free (in state) at (800) 894-5533.

NEWS RELEASE – Consequences of Unemployment Fraud

**By Attorney General Gordon J. MacDonald and
Dept. of Employment Security Commissioner George Copadis
Monday, June 15, 2020**

Concord, NH -- Attorney General Gordon J. MacDonald and Department of Employment Security Commissioner George Copadis urge all New Hampshire residents, especially those claiming unemployment compensation benefits through the Department of Employment Security, to be aware of the various kinds of fraud that the Employment Security Department detects, investigates, and prosecutes and the accompanying penalties if one is convicted of unemployment compensation fraud.

The Department of Employment Security provides unemployment compensation benefits to eligible claimants who are unemployed through no fault of their own. As a result of the COVID19 State of Emergency, the number of claims for unemployment compensation benefits increased dramatically.

Unemployment compensation fraud is a crime that carries with it serious, long-term consequences. Those filing for benefits should be aware that the Department of Employment Security, in conjunction with state and federal law enforcement agencies, investigates and prosecutes unemployment compensation fraud to protect New Hampshire's unemployment compensation trust fund and preserve benefits for those truly unemployed and meeting eligibility requirements. The New Hampshire Department of Justice has an embedded prosecutor dedicated to unemployment compensation fraud, and the Office has a long record of success in holding offenders accountable.

Earnings-related fraud, or unemployment compensation fraud, occurs when a claimant willfully makes a false statement or representation or knowingly fails to disclose a material fact for the purpose of obtaining or increasing the benefits or payments they receive, and to which they are not entitled. New Hampshire law provides the following possible consequences:

- Unemployment compensation fraud resulting in additional benefits of \$1,000 or more is a class A felony, with a potential penalty of 7½ to 15 years in prison and/or a fine of up to \$4,000, and payment of restitution equal to the amount of total benefits received by the individual, not just the amount of additional benefits received.
- Unemployment compensation fraud resulting in additional benefits of more than \$500 but less than \$1,000 is a class B felony, with a potential penalty of 3½ to 7 years in prison and/or a fine of up to \$4,000, and payment of restitution equal to the amount of total benefits received by the individual, not just the amount of additional benefits received.
- Unemployment compensation fraud resulting in additional benefits of less than \$500 is a class A misdemeanor, with a potential penalty of 12 months in the house of corrections and/or a fine of up to \$2,000, and payment of restitution equal to the amount of total benefits received by the individual, not just the amount of additional benefits received.

In addition to the penalties described above, any individual convicted of unemployment compensation fraud is disqualified from receiving unemployment compensation benefits for one year from conviction.

Employer-assisted fraud occurs when, with the purpose that an employee commits the crime of unemployment compensation fraud, an employer commands, solicits or requests such employee to file for unemployment compensation benefits while still working for the employer and not reporting such work in the employee's claim. This conduct could constitute criminal solicitation in violation of RSA 629:2. The penalties for any individual convicted of criminal solicitation in this

circumstance are the same as the crime that was solicited. For example, if the employee's false statement regarding hours worked for the employer would result in additional benefits of \$1,000 or more, the employer could be prosecuted for criminal solicitation as a class A felony with a potential penalty of 7½ to 15 years in prison, and/or a fine of up to \$4,000.

These laws are intended to protect the integrity of New Hampshire's unemployment compensation trust fund. That fund has served as a vital means to provide financial relief to thousands of New Hampshire workers during the COVID-19 State of Emergency. As the restrictions in effect due to the outbreak of COVID-19 are eased, those returning to full-time employment are not entitled to benefits. For those continuing with or returning to part-time employment, individuals need to be mindful of always answering the questions presented on their weekly unemployment claim truthfully. The best way to comply with the law and avoid potentially serious consequences is to report work and all earnings truthfully and accurately.

THE TRANSFER STATION IS OPEN BUT PLEASE READ THE FOLLOWING

TRANSFER STATION HOURS

Tuesdays, Thursdays and Saturdays 7:00 am – 6:00 pm

The Swap Shop will remain closed until further notice.

PLEASE REMEMBER TO GET A TRANSFER STATION STICKER IF YOU DON'T ALREADY HAVE ONE
Stickers are only good for two years!

The easiest way is to get your sticker when you register your car. If you have already done so and still do not have a sticker, they are available at the Transfer Station or at Town Hall. Proof of residency, such as a recent utility bill, lease or rental agreement, or recent tax bill, and your car registration will be required. If you have any questions regarding documentation please contact us at Town Hall or you may refer to the Solid Waste Ordinance, available [HERE](#).

CHANGES TO MIXED PAPER

Mixed paper should now be placed with Municipal Solid Waste (MSW) until further notice. We are doing this to protect our employees, as it takes a great deal of handling and sorting in order to make it recyclable. When we are no longer under the conditions brought on by the COVID-19 pandemic, we will switch to having residents separate office paper and magazines from other types of paper in order to maximize our recycling revenue.

PLEASE CONTINUE PRACTICING SOCIAL DISTANCING

Both bays remain open as we have seen an improvement in the flow of traffic, but everyone has to maintain the recommended safe distance of 6' while inside. In order for our employees and residents to maintain a safe distance, employees will not be stationed on the wall during this time but will be available to answer questions.

PLEASE KEEP CHILDREN IN YOUR VEHICLE

PLEASE have your child(ren) stay in your vehicle while you are disposing of trash and recyclables. This is for their safety! If they have to be out of the vehicle please keep them next to you at all times and do not let them run through the Transfer Station, roadways or parking areas.

There are several important issues you must be aware of regarding your household trash and recycling disposal if you or anyone in your household has been quarantined for COVID-19 or has tested positive for COVID-19. Your trash and recycling must be handled and disposed of under

different rules. Please consult Caren Rossi, Lee's Health Officer to discuss the new steps that must be taken. Email is crossi@leenh.org or phone at 659-6783. Thank you for your cooperation.

Bulky items are accepted at the Transfer Station, HOWEVER, payment will be by check only – there will be a drop box available. Employees will **not** be able to assist with removing items from your vehicle but will be available to guide you, weigh items, and answer your questions.

Notice : Change in Services Due to Social Distancing Recommendation

Ready Rides is still operating during this time. We have adjusted our services to reflect the recommendations in place and to protect both our drivers and riders while still remaining available to those most vulnerable without taking them from their homes to incur possible contact with the virus. We are still providing rides to patients who require life sustaining services such as dialysis, blood transfusions, injections etc. We will take each request as they come in and

assess the depth of the need. We are suspending all rides to counseling, physical therapy and general health and dental checkups. We recommend you utilize family friends and neighbors who you already have regular contact with to help provide rides during this short suspension.

A service we are adding to our registered riders is pharmacy pickups and food pantry and grocery pickups. If you have placed an order with Walmart.com or Hannaford.com we have volunteers who will pickup these orders and bring them to your door with minimal contact.

If you are unable to order online and you are in desperate need of help with acquiring food or some necessity here are some resources. Currently if you live in the town of Durham call 868-2324 for assistance. If you live in the town of Newfields call 772-9010 and ask for Helping hands for assistance.

Barrington, Lee, Madbury, New Market, Northwood, Barrington, Nottingham and Strafford towns do not directly have things in place yet. Call us here at 244-8719 and we will do our best to find a way to get you the help you need.

What Ready Rides Offers During Normal Operation

Ready Rides provides transportation at no charge for the elderly & disabled residents living in: Barrington, Durham, Lee, Madury, Newfields, Newmarket, Northwood, Nottingham and Strafford. Rides are provided by volunteer drivers using their own vehicles. Accessible rides available.

To request information about registering as a rider or becoming a volunteer driver, please email us at info@readyrides.org or call (603) 244-8719. You can find an [Application](#) for riders and a [Volunteer Application](#) can be printed from this website and emailed or mailed to Ready Rides P.O. Box 272 Northwood, NH 03261. Be sure to also print out our service description.

For other transportation options available in the region, please visit ACT's [Community Transportation Directory](#).

TIMELY TOPICS FOR THE SUMMER SEASON

We are still in the midst of the COVID-19 and therefore still have to operate as such to protect our personnel and the public. We are still fully staffed and operating to protect our community but have had to put a hold on or adjust the way we provide some of our services. The fire department remains closed to all visitors but are working with town officials and the State for recommendations. All official business will continue to be conducted by phone or via email for now. Phone numbers and email addresses are provided on the [Fire Department's web page](#).

Burn permits are still required for all outside burning and all State burning regulations are still in effect. Burning regulations and permits can be obtained at [NH Fire Permit](#). Please check to see what the fire class for the day is prior to lighting any outside fire. Class 3 day or higher, all outside burning

is not allowed. You can find out what fire class day it is by visiting the NH Forest and Lands website or look at the road side board at the Lee Public Safety Complex.

All station tours continue to be suspended as are all home visits for wood stove, burn permit and inspection purposes. Furnace installation inspections will be conducted on an emergency basis for emergency replacement only. All furnace replacement work shall be coordinated through the Fire Chief's office before any work is to be done.

Hopefully the virus emergency will be over soon and we can slowly return our operations to a normal level. All inquiries regarding the Town's response and current status for the virus should be made to the Town's Health Officer, Caren Rossi at the Planning Department.

With summer come thunder storms. Some storms can be severe and contain lightning, hail and wind. When lightning is in the area you should seek shelter indoors and away from windows. Do not shelter under trees or near tall objects. Be aware during high winds of trees, branches, power lines and debris being blown down. Occasionally these storms can cause downed power lines and power outages. We would like to remind everyone that we consider all downed lines as "energized" and should never be touched, moved or driven over. That includes cable and phone lines as they could be in contact with power lines at some point in the system. Call the fire department immediately and keep everyone away from the lines until the fire department arrives. With the power outages several people in our community use portable generators to power their homes. When using a portable generator follow all manufacture's safety guidelines for your generator. They should be run at least twenty-five feet from the residence; exhaust should be point away from the residence and away from anything combustible. Never operate a generator in an enclosed space such as a garage or a shed. Generators emit carbon monoxide and can cause serious injury or death if run in-doors and carbon monoxide is allowed to accumulate.

As the water in rivers, ponds and lakes warm up and people begin swimming and boating, please take care and be safe. Be aware that we have had a colder than usual spring and night time temperatures can still drop into the low 40's. This has kept our water temperatures on the cold side. Please be aware that hypothermia is still possible even though air temperatures can be in the 80's and 90's if the water temperature is in the 50's or 60's. This is especially true for the very young and the older population. Use personal floatation devices while boating, water skiing, tubing etc. Never swim alone even if you are a good swimmer. Follow all NH State Boating Regulations while boating on NH waterways.

Use caution while outdoor grilling. Keep grills at a safe distance from the residence or other structures while cooking. Have a hose or dry chemical extinguisher nearby to extinguish any grill fires before they get out of control. Make sure propane tanks are in date for hydrotesting and the gas lines are in good condition and not leaking. Dispose of burned charcoal in a safe manor, preferably in a metal container until cold throughout. Thank you and have a safe and happy summer.

WHEN SECONDS COUNT... Please take the time NOW to SAVE TIME in an EMERGENCY.

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. Some mailboxes are clustered together. The numbers are small and the location may not mark the entrance to your driveway.

The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$35.00 and it will be installed by the Lee Firemen's Association.

LAWN SIGN FUNDRAISER

Only a \$15 donation!**LIMITED SUPPLY!**

The Lee Fireman's Association of Lee, New Hampshire is conducting a fundraiser to help support local first responders and healthcare workers! We understand this has been an extremely difficult time for everyone and unfortunately first responders and healthcare workers are still dealing with COVID-19 on a daily basis. The Lee Fireman's Association has purchased a limited supply of lawn signs for the residents of Lee to help show their continued appreciation and support of these workers. 100% of your minimum donation of \$15.00 or more will be used to purchase "snack baskets" as a thank you to the Lee Fire & Rescue, Lee Police Department, McGregor Ambulance and Wentworth Douglass Hospital. To have a sign delivered to your house in Lee please follow the information below.

To show your support and have a sign delivered please

SCHOOL BOARD NEWS - July 8, 2020

The Superintendent is organizing an ORCSD Antiracism committee. The committee is still being formed, but will include district administrators, 2 school board members, parents, and community members.

The District is developing plans for 3 possible models for the start of school in the fall: Fully remote, hybrid model with some remote and some in-person content, and traditional in-person school. The School Board will be discussing these options with Administrators in a Workshop on July 14th at 7:00pm, which will be live-streamed and recorded (www.orcsd.org/stream). The School Board is expecting to make a decision about how to begin the school year at its August 5th meeting.

The High School schedule will be adjusted so that September 8th will be a fully Remote learning day (regardless of the in person, remote, or hybrid model school begins with), in order for the Town of Durham to utilize the High School gym and adjacent hallways for the primary election that day.

For the 2nd year in a row, Oyster River has been awarded the NHIAA Sportsmanship Award for Division II schools. Congratulations to the student-athletes and coaches across all sports for this recognition!
