

# TOWN OF LEE, NEW HAMPSHIRE

7 Mast Road  
Lee, New Hampshire 03861  
(603) 659-5414

May 3, 2019

Lee News & Upcoming  
Events

Meet at upper trail entrance on Lee Hill Road

## 27<sup>th</sup> ANNUAL FISHING DERBY

Saturday, **May 11<sup>th</sup>** 9:00am  
Stevens Farm, 28 Tuttle Road

### FISH FRY

Following the Derby, 12:00 am  
Little River Park

**Both are FREE and open to all Lee Residents (but children must be under the age of 16)**

**Fishing licenses are not required but entrants must bring their own fishing gear**

It is requested, but not necessary, to register for the derby by calling the Town Hall at 659-5414 or Cynthia at 659-2046. All children must be accompanied by an adult. This is a working farm so please remind your children to be respectful of fences, animals and equipment. Trash is carry-in, carry-out.

The Fish Fry will be held at Little River Park at noon. Bring your trout to the park and cook it on the grill. There will be free hot dogs, hamburgers and drinks for anyone whose fish got away. You don't need to participate in the derby to come to the Fish Fry, but we ask that you call to let us know you're coming. Bring your Frisbee, guitar, baseball glove or whiffle ball and enjoy the day.

## 2019 BACK YARD FARMING INITIATIVE

Monday, **May 20<sup>th</sup>** (Fowl)

Jeremiah Smith Grange, Lee Hook Road, Lee, NH 7:00 pm

[CLICK HERE](#) for schedule

Anne Tappan and Bambi Miller talk about ducks, geese, turkey and guinea fowl. Ruth Sample, UNH, discusses keeping chickens and vegetable gardening.

Series moderated by Chuck Cox. Sponsored by the Lee Agricultural Commission, Backyard Farming Initiative, Lee Sustainability Committee and the Lee Public Library. Series videotaped and edited by Jeremy Gasowski. Refreshments by Ruth Eifert, Director, Lee Public Library.

---

## MAY SELECT BOARD MEETINGS

Mondays, **May 6<sup>th</sup>** and **20<sup>th</sup>** Starting at 6:30 pm

Meetings can now be seen on  at [www.media.leenh.org](http://www.media.leenh.org)

### “TALES OF NEW ENGLAND LIFE, The Stories of Alice Brown”

Wednesday, May 22<sup>nd</sup> 7:00 pm

Public Safety Complex

Co-hosted by Lee Public Library and Pontine Theater

Performance

Photo credit Pontine Theatre

“Pontine Theatre premieres an original stage adaptation of the short stories of Alice Brown. Brown was born in 1857 on a farm in Hampton Falls, New Hampshire, a community that later acted as a template for the villages depicted in her stories. She attended Robinson Female Seminary in Exeter, where she displayed a talent for writing at a young age. It was during her early years in Boston that Brown published her first novel *Stratford by the Sea* (1884), set in a small coastal community; it was this novel, with her rich descriptions and candid characters, that established Brown as a regional color writer. Brown was best known for her popular New England tales, mostly published from 1895 to 1910. Collected into volumes, her stories of idyllic New England life portray the traditional simplicity and bounteous goodness of country life: *Tiverton Tales* (1899), *The Country Road* (1906), *Meadow Grass* (1886), and *Country Neighbors* (1910)”. – [www.pontine.org](http://www.pontine.org)

## DOG WASTE PROBLEM ON TOWN OF LEE TRAILS

Apparently this has become an issue again. In 2016, the Conservation Commission and the Select Board addressed the increasing problem of dog waste being left in Little River Park, the Town Forest and other Conservation areas by installing a Pet Waste Station at Little River Park and posting signs at various trail heads throughout Town. Please tell friends and neighbors about the effect of animal waste on the environment and our health. Encourage them to clean up after their pets and to dispose of the pet waste properly. If you do not please note that you may be sited for Littering (see RSA 163.) For more information: [CLICK HERE](#) for the US EPA's "Managing Pet and Wildlife Waste to Prevent Contamination of Drinking Water" bulletin.

CEMETERY GATES ARE NOW OPEN  
FOR THE SEASON  
[CLICK HERE](#) for LEE CEMETERY RULES

## RITA LANE IS NOW OPEN

PUBLIC DOCK AT DURGIN PRESERVE WILL OPEN WITHIN THE NEXT MONTH

## SWAP SHOP VOLUNTEERS NEEDED

Please call Shirley McKeon at 603-659-8163 or email her at [smckeon123@aol.com](mailto:smckeon123@aol.com).

## SWAP SHOP HOURS & RULES REMINDER

Swap Shop open on Saturdays only 7am–4pm until further notice.

### SUMMARY OF RULES

**There's a 15 minute time limit.** \* If you cannot use it then do not take it \* If an item has a bulky fee then it **must** be paid. [CLICK HERE](#) for Bulky Fees \* Large items such as furniture or mattresses & broken or hazardous items are **not** accepted \* **Dumping is prohibited.** Security cameras are installed. Do not be the first to get charged.

CONSERVATION MONITORING HAS BEGUN AGAIN!  
COME SEE CONSERVED LANDS IN LEE!  
EVERY WEDNESDAY MORNING

Residents are invited to join members of the Conservation Commission any Wednesday morning from now until early fall while they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. Meet in the Town Hall parking lot at 8:45 a.m., dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.

## NEWS FROM THE SOLID WASTE ADVISORY COMMITTEE FOOD WASTE COMPOSTING PILOT PROGRAM COMING SOON

mrfoxcomposting.com

Provided there is enough interest, a food waste composting pilot program is scheduled to begin at the Lee Transfer Station within the next two months. The Select Board and Solid Waste Committee are seeking up to 200 interested residents to participate in this exciting six month program. The Town will provide special compostable bags to bring the food waste to the Transfer Station. Mr. Fox, a company specializing in food waste composting, will then transport the food waste to their facility in Eliot, Maine where it will be composted into a soil like material. Acceptable items are all food scraps and bones, eggshells, bread, seafood, wooden stirrers, sugar packets, wax muffin wrappers, tea bags, coffee grounds/filters, waxed paper liners, fruits and vegetables. Do NOT miss your chance to participate in this important program to keep food waste out of the landfill and make a useful product out of it. **Sign up soon! We are limited to 200 residents!**

Interested residents should e-mail the Transfer station Manager Toby VanAken at [tvanaken@leenh.org](mailto:tvanaken@leenh.org) or call 603-659-2239 to sign up.

### A SERIOUS PROBLEM AT THE SWAP SHOP The Future of Swap in Jeopardy

The Transfer Station staff has reported a serious problem in that Household Hazardous Waste is being dropped off at the Swap Shop. **State Law prevents the Transfer Station from accepting hazardous waste especially at the Swap Shop.** The Town could face hefty fines and legal action if it is found that Household Hazardous Waste is being accepted at the Transfer Station/Swap Shop. **Please do not drop off** any liquids, paints, thinners, cleaners, pool chemicals, pesticides, or other chemicals at the Swap Shop. The Transfer Staff and Solid Waste Committee are hoping residents will comply with this request so that the Swap Shop can remain open.

Lee residents can participate in the Household Hazardous Waste Day that is held at the Dover Transfer Station every year in the late summer / early fall. [CLICK HERE](#) to see what materials are accepted.

Please email the Transfer Station Manager Toby Van Aken at [tvanaken@leenh.org](mailto:tvanaken@leenh.org) or call him at 603-659-2239 if you have any questions.

As you drive through the town center area, please notice some of the work of the Lee Heritage Commission: beautiful banners; and new plaques on the Lee Town Hall, Lee Town Shed & Tramp Room, and the Lee Historical Society building. These buildings have been placed on the NH State Register of Historic Places.

Copies of the beautiful

[2019 Historic Lee, New Hampshire Wall Calendar](#)

are still on sale at:

- Lee Town Hall
- Lee Library

Reduced price while supplies last / \$5.00 each.

---

## NEW LEE TRIVIA QUESTION!

(No prizes – just the satisfaction of confirming how much you know about your town!)

**This Week's New Trivia Question:** Who was a signer on the petition to the separation of Lee from Durham in November 18, 1765 and also a private soldier on Seavey's Island in Portsmouth harbor, November 5, 1775, in Capt. Smith Emerson's Company?

The answer will be given in next week's Lee E-Crier.

**Answer to last week's Lee trivia question:** How did Wednesday Hill in Lee get its name? There are a few traditions that say where its name came from. You pick the one you like the best. 1. The hill got its name from a skirmish that took place with Indians in its vicinity on a Wednesday; 2. It was named by surveyors, who were laying out grants of land, and stopped to have their lunch on its top on a Wednesday; 3. The name was given by early settlers in memory of a hill in England where many such hills named Wednesday exist.

## **I Know I Should Recycle, But...** Talking trash with Jen Messeder, LSC member

If you're used to throwing everything into one trash can, then changing your habits to separate stuff out can feel inconvenient and even daunting. Here are some questions you might have.

### **Aren't landfills the same as compost piles – just bigger?**

Landfills aren't like compost piles, which get turned so moisture and air support the natural decomposition of biodegradable waste, and most of what we send to landfills isn't biodegradable, anyway. The stuff in landfills takes a long time to break down, and the process produces liquid waste (leachate) and methane gas. In our area, UNH burns the methane collected at the Turnkey Landfill for energy.

### **How do I know my stuff is actually getting recycled?**

This is a very good question, especially now that China has decided to refuse our refuse (and India might make the same decision soon). Why should we go to the trouble of separating out our recyclables if they're just going to end up in a landfill anyway?

First, Lee residents who are already recycling are doing a very good job with it, as are the Transfer Station staff. Our recyclables are consistently very "clean" – the items themselves are clean (no food and such on them) and they are very accurately sorted into the appropriate bins. Cleanliness increases the likelihood that recycling facilities will take our stuff and actually recycle it. Also, for recyclables that Lee earns money for, we earn more because we keep it clean and sort well. For recyclables that we have to pay to have hauled, we pay less because we keep it clean.

Second, one way to reduce solid waste is to avoid packaging in the first place. Shop with reusable bags; buy loose produce; avoid treats that come in plastic wrappers and so on. If you don't buy it, you don't have to try to recycle it.

### **How clean is "clean enough" to garner the financial benefits of clean recyclables?**

Never fear, we don't have to fully wash things so they're clean enough to eat off of. They just need to be "trash clean."

Plastic, glass and metal containers should be well rinsed – use soap if the container is greasy. If you do dishes by hand, you could swish your containers in the soapy sink after finishing the dishes. Cardboard should not be greasy or have food stuck to it. Pizza boxes are notorious here.

### **I'm not sure I can fit all this into my already busy life.**

We hear you. The key to making any change stick is usually to take it a little at a time. In an effort to help ease the change, we'll continue "talking trash" on the theme of reducing our solid waste one bin at a time.

**Refuse • Reduce • Reuse • Repair • Repurpose • Recycle • Rot**

## LEE FIRE & RESCUE DEPARTMENT

20 George Bennett Road  
Lee, New Hampshire 03861  
(P): 603.659.5411 (F): 603.659.9611

Scott M. Nemet  
Fire Chief

Jeffery S. Liporto  
Deputy Chief

### TIMELY TOPICS FOR THE SPRING SEASON

With spring approaching your fire department would like to remind everyone to consider these recommended safety practices.

- The Fire Department recommends that you change the batteries in all smoke detectors and carbon monoxide detectors. There should be at least one smoke and carbon monoxide detector on each level of your residence. If you would like suggestions on where to place smoke detectors you may call us here at the fire station and we would be glad to come to your home to help.
- Check your fire extinguishers to make sure they are fully charged and ready for use.
- Clean out your dryer vents to prevent dryer fires.
- Keep your outdoor grill clean and maintain the burners and gas lines to prevent grill fires. Keep your grill away from your house and out from under overhangs and decks when in use to prevent grill fires from spreading to your home. Keep a fire extinguisher nearby in the case of grill fires.
- If you have severe allergies especially to bees, wasps and hornets make sure your epi pen is up to date and available for immediate use in time of need. As the weather becomes warmer bees, wasps and hornets will become more active.
- 

**BURN PERMIT**

[CLICK HERE](#) for NH BURN PERMIT RULES AND REGULATIONS

## WHEN SECONDS COUNT...

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. Some mailboxes are clustered together. The numbers are small and the location may not mark the entrance to your driveway.

The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has started a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need. The cost for each sign with a post is \$30.00 and it will be installed by the Lee Firemen's Association.

**Please take the time NOW to SAVE TIME in an EMERGENCY**  
[CLICK HERE](#) for Reflective House Number Sign Request form

## POLICE NOTICE

In a follow up to the request that residents properly number their homes, [CLICK HERE](#) for the Ordinance that applies. The Lee Police will be compiling a list of homes that are not complying with this ordinance and make contact with the homeowners in hopes of getting everyone in compliance which will make it easier to locate a residence in times of an emergency.

## SCAM! SCAM! SCAM!

**Please do not become a victim. WHEN IN DOUBT, DON'T GIVE IT OUT.**

An old scam has resurfaced. Residents are being contacted by "Publisher's Clearing House" about having won the jackpot. The stipulation is that the resident must pay \$7,500 in advance. This is a scam. You will never have to pre-pay the "FDIC" for your winnings.

## IMPERSONATION OF A SOCIAL SECURITY ADMINISTRATION EMPLOYEE

We sometimes receive reports where individuals have been contacted by someone pretending to be an SSA employee. The intent of this type of call is to steal your identity and/or money from your bank accounts. The caller generally asks you for personal information such as your Social Security number, date of birth, your mother's maiden name, or your bank or financial account information. The impersonator may state that "the SSA computers are down" or may refer to enrollment in the Medicare prescription drug program. It is possible that an SSA employee may contact you to follow-up on a previous application for SSA/Medicare Part D benefits or to follow-up on other business you initiated with SSA. If you are unsure as to the authenticity of someone who claims to be an SSA employee, please call SSA's toll-free number, 1-800-772-1213, to verify the reason for the contact and the person's identity prior to providing any information to the caller.

If you wish to report a call from someone you suspect is impersonating an SSA employee, please provide us with the following details:

Caller's alleged name, telephone number, time and date the call was made, information requested by the caller and any other identifying information or details about the content of the call. Please note that there are also "robocalls" from people claiming to be from the Social Security Administration.

## Lee Public Library

Monday, Tuesday, Wednesday: 12:00 – 8:00 pm

Thursday, Friday: 10:00 am – 5:00 pm

Saturday: 10am – 3pm

### LIBRARY CLOSED:

Monday, May 27<sup>th</sup> in Observance of Memorial Day

### ADULT BOOK DISCUSSION

“A Piece of the World” by Kristina Baker Kline

Monday, May 13<sup>th</sup> 7:00 pm

“Absorbing...A portrait of Maine farm life, of an iron-willed spinster with polio and the accidental friendship that changes everything...Kline has a graceful, arresting style that lifts the narrative, and her portrayal of Andy leavens the entire story.” - Portland Press Herald

### DROP-IN CRAFT

Monday, May 20<sup>th</sup> – Saturday, May 25<sup>th</sup>

Drop in to make a Festive Tulip craft!

### BOOKS ALIVE

Tuesdays 3:30 pm

Join our interactive after school story program that joins reading, movement, hands-on learning and creativity to bring books to life. There will be snacks. This program is geared for grades K-4 and meets after school on Tuesdays. All children ages 5-10 are welcome. **Call to Register 659-2626.**

### **DROP-IN TECH HELP**

**Wednesdays 4 - 6pm**

We offer a range of services to help you become tech savvy. Come to a free drop-in tech help session! Drop-In Tech Help sessions

are held at the library on Wednesday afternoons from 4 pm - 6 pm. No appointment is required. All you need to bring are your technology questions/problems and any relevant devices.

You can get started with these [online tutorials](#) provided by Universal Class to get comfortable using basic technology and digital resources. You can also get help with online job searches, resumes, cover letters, completing forms, learning basic computer skills, and more [here](#).

\*Please note that Drop-In Tech Help is meant to provide basic technology help. Please bring any devices that you have questions about. Please bring any relevant login information (e.g. usernames and passwords) for any accounts related to your questions. This is a drop in session and multiple people may show up. Sessions may be limited to 15 minutes per patron when demand is high.

### **Community helping Community volunteer opportunity through the Lee Public Library and Oyster River High School student "Power of One" projects.**

Two ORHS students are participating in the "Power of One" program through the library. They will have donation boxes through the 1st week of May. One student is collecting feminine hygiene products; the other is collecting books and cash donations. Visit the library to lend your support.

**STORY TIME**  
**Thursdays @ 10 am**

Reading, crafts, puppets, music and more. Who knows where next week's adventures may take us? Large groups and families welcome.

**LEGO CLUB**  
**Fridays 3:30 - 4:30 pm**  
This program ends Friday May 10<sup>th</sup> and will  
resume in the fall.

Back by popular demand, Lego Club will meet on Fridays to build with the library's large Lego collection. Students may take the bus 31 from Mast Way School. **Those riding the bus need to register for this program. Space is limited to 10 on the bus and up to 20 in the program.**

**Knitting for 50+**  
**1<sup>st</sup> & 3<sup>rd</sup> Wednesdays 9 am**  
**May 15<sup>th</sup>**  
Help is available from instructor Donna Kay.  
All levels welcome.
