

LEE COMMUNITY POWER COMMITTEE MEETING MINUTES
March 7, 2023

Present: Lou Grondin, Mary Woodward, Barb Wauchope and Erik Johnson

1. Approved the minutes from the CPC meeting on 2.7.2023
2. Discussion of whether the committee members should pass out information leaflets on voting day. Went over the rules regarding electioneering given to us by Don Quigley. The committee decided that it was not necessary due to all the information that has been provided on the LEC website, Neighbor-Lee and the Lee Town crier.
3. It was noted that the work of the Community Power committee is basically done if it is approved by the voters on Tuesday. There might be a little more outreach to be done.
4. Emily Manns will submit the Lee Community Power plan to the PUC as soon as possible.

Minutes submitted by Lou Grondin.
