

Lee Energy Committee Meeting Minutes
April 14, 2022

Members present: Lou Grondin, Barb Wauchope, Mary Woodward, Katrin Kasper

Guests: Don Anderson

The minutes of the February 11, 2022, meeting were approved.

Lou presented a preliminary PPA Proposal from Revision for a solar installation at the Lee Transfer Station. The group discussed specific steps necessary for moving forward. Lou will attend the next Lee BOS meeting to advocate that Lee upgrade the Transfer Station AMP capacity and to request approval of use of the LEC funds to hire an electrical consultant.

Katrin reported that funding might be available for an EV station in Lee. The group discussed candidate sites.

Lou has signed the LEC up for a booth at the April 23 Durham Drive Electric Earth Day.
