

Lee Energy Committee Meeting Minutes
February 11, 2022

Members present: Lou Grondin, Barb Wauchope, Mary Woodward

Guests: Al Porsche, Don Anderson, Ned Reynolds

The minutes of the November 15, 2021, meeting were approved.

Ned Reynolds of Revision Energy presented an information update related a solar installation in Lee in the context of current energy policy and market dynamics. The previous proposal for a solar installation under a Power Purchase Agreement was approved by Lee voters; however the Lee Select Board rejected a specific proposal for a ground installation near the Public Safety Complex in 2021.
