

Lee Heritage Commission Minutes January 16, 2020

Present: Pat Jenkins, Scott Bugbee, Denis Hambucken, Liz McCaffrey, Cord Blomquist, Donna Eisenhard and Laura Gund

Minutes: The minutes of December 19, 2019 were read. Scott moved and Denis seconded that they be approved. Minutes passed.

Parish House/Town Hall/Grange: Lengthy discussion involving these old buildings and their needs.

Signs: The Barth residence sign as well as the Jeremiah Smith Grange Hall sign have been ordered. We talked about whether to use one date for the original building, or two dates, signifying when an addition had been built. It was decided to ask the State. Denis will send out pictures of possible signs.

Meda Durepo interview: We have scheduled an interview with Meda on January 25th. Laura will check with her for the best time of day. We will order flowers for her on that day, from Tina Sawtelle.

Archives: on-going. Nothing new at this time.

Calendar: We would like a calendar next year and will start planning for it right away. We are still talking of using old post card photos and asking someone to take current photos of the same building and/or area.

Finances: Same as last month. There has been no activity.

Parish House: Cord discussed possible scenarios for saving the Parish House. Possibly hire a grant writer who could help us find grants that might help save the building.

Next meeting will be February 20, 2020.
