

Lee Heritage Commission Minutes

August 19, 2021

Present: Pat Jenkins, Scott Bugbee, Cord Blomquist, Denis Hambucken, Laura Gund, and guest, Laurel Cox.

Minutes: The minutes of July 15, 2021 were read, Scott made a motion to accept the minutes as written, Cord seconded and they were accepted.

“A GI in the Andennes: The Battle of the Bulge”: This is a new book, written by Commission member Denis Hambucken. It will be available soon.

Treasurer’ report: There are no changes since the July meeting.

Semiquincentennial Lumber: Commission member Cord has offered to make a bench using this lumber from the tree chopped down during the semiquincentennial celebration. He will make a plan, see what is available for wood and go from there.

Barn easement: It is time to start work on Pat Roop’s barn easement at some point. This barn is on Rte. 155.

Lee Fair: There will not be a Lee Fair in the usual sense. Due to lack of volunteers and the dangers of Covid, it will be an abbreviated fair with no events until 3:00 on Saturday, Sept. 11th. At that time, Bingo games will start. The usual pig roast/chicken barbecue will be served, followed by an ice cream smorgasbord. And finally there will be fireworks. During the day there will be a local musical group making music in the field as well as a few games for children and adults.

Parish House: Any activity regarding the Parish House is on hold until Town Center plans once again move forward.

Kennard Photos: Denis has been copying photos provided to him by a member of the Kennard family. He needs ID and other information on the photos, and is having trouble contacting the nephew or Mr. Kennard.

Calendar: Scott brought old post cards for the calendar. We looked at and discussed different post cards and which ones would be appropriate for the calendar.

Scott made a motion to adjourn, seconded by Cord and the meeting is adjourned.
