

Lee Heritage Commission Minutes
October 21, 2021

Present: Scott Bugbee, Pat Jenkins, Laura Gund and guest, Laurel Cox. However, since this did not constitute a quorum, no "official" business was carried out.

However, we did discuss the need to do our easement walks and made plans to visit Flag Hill Winery and the Coxes' Randall Farm on Saturday October 30th. We also plan to put up some house/building signs on that date.

Pat reports that Randy Stevens may be interested in working on our archives.
