

Lee Heritage Commission Minutes
April 21, 2022

Present: Pat Jenkins, Scott Bugbee, Donna Eisenhard, Liz McCaffrey and Laura Gund

Minutes: Minutes of the March 17, 2022 meeting were read and Liz moved to accept them as written. Scott seconded the motion and the minutes were approved and accepted.

Finances: Same as previously with the addition of \$1000 from LCHIP. This is in regards to the monitoring of the two Heritage properties in town.

Membership: Cord and Liz are up for renewal, and will need to do the town paperwork.

Banners: Scott has picked up the new banners (replacing damaged originals) and they are now at the Highway Department awaiting hanging. Scott made a motion to spend up to \$10 for banner hardware. This was approved.

Scott will pick up Rothwell's barn sign and when we are able to contact one of the Rothwells will make arrangements for putting it on their barn.

Calendars: General discussion of possible calendar topics/pictures. Natural highlights might include the Bog and the boulder in the Maude Jones Forest. Other interesting sights could be the dam at Wadleighs Falls, houses, and cemeteries as possibilities. Also discussed the calendar format.

Benches: Nothing new. Douglas McClellan, who has agreed to build a bench, says he's happy to build the bench, but won't paint it. We discussed color, particularly a blue stain. A picture of a sample bench had a very attractive blue stain on it.

Preservation Alliance: Scott made a motion to continue our annual membership in the Alliance for \$50. Seconded and passed.

Plumer Diaries: We need someone to transcribe the rest of them. Possibly a student could work in the Annex doing this. Pat is anxious to get the remainder of the diaries transcribed as the ink is fading in the diaries.

Meeting adjourned at 8:30. Next meeting will be May 19, 2022.

Minutes submitted by Laura Gund.

No meetings were held on May 19, 2022 nor June 16, 2022.
