By signing this application, you are authorizing the Planning Board and/or interested parties to do a site visit of the property.

This application must be filed with appropriate plans and information pertaining to the request, along with a list of abutting property owners with names and addresses; there will be an application fee of \$400.00, plus \$8.00 for each abutter notification. (An abutter includes the applicant as well as any person(s) who have prepared plans or delineated soils).

The 90 day statutory deadline for action by the Lee Planning Board begins with the formal acceptance of the application which must be submitted at a public meeting, with abutting property owners notified.
