MEMBERS ABSENT: Annie Gasowski and Kristen Cisneros

Meeting begins at 7:00 pm.

The weather is still questionable but the fair is a go. The committee decides to go without the tent this year. All the tables and chairs will be put under the pavilion until the morning of the fair to try to keep them dry. Erick’s string lights will be put up next to the pavilion, connected to one of the tower lights and the tables will be set up underneath them for the dinner.

The fryer will not be previously tested on Friday. “They” will have it all set up and ready for the Fair Committee to start cooking on Saturday morning.

Meeting ends at 7:40 pm.
