Wallace E. Dennis
1920 – 2018

Wallace Ernest Dennis, the oldest citizen in Lee, passed away peacefully this year, just shy of his 98th birthday. Born in 1920 to Earnest Clarence Dennis and Florence Mildred (Leach) Dennis, he grew up with his brother, Richard, on the family dairy farm in Orford, NH. He attended Concord College of Business for 2 years until his father's untimely death compelled him to return to the family farm operation. In the fall of 1942, he enlisted in the Naval Reserve and went to Radio School at the Naval Air Station in Memphis, TN. Upon graduation, he was assigned to the Lighter-Than-Air Squadron 14 in Elizabeth City, NC. Wally's duties included anti-submarine patrol over the Atlantic coast from VA to GA. He also patrolled the Straits of Gibraltar at night while stationed in Port Lyautey, Morocco. At the end of World War II his squadron was sent to Cuers, France, where they charted mine fields off the southern coast of France. Following his return to the US and discharge from the service in 1946, he married Evelyn Clark of Fairlee, VT.

In 1949 Wally graduated from UNH. He was employed at the US Postal Service in Durham, NH for 30 years. Following his retirement, Wally worked part-time at the Durham Bank for another 11 years. He enjoyed telling his friends and family that he received his postal service pension long past the 30 years he worked for the agency. In 1954, Wally and Evelyn purchased the James Farm in Lee, NH, changing the name to Merri-Lee Farm where they promptly filled every barn stall with Morgan horses and from there they operated the Merri-Lee Farm and Tack Shop. While attending UNH, Wally was encouraged by his close friend and mentor, Professor Loring V. Tirrell, to judge his first show at a Lion's Club show in Alton, NH. In 1956, he became a registered American Horse Show Association judge and enthusiastically shared his expertise while judging horses throughout the US and Canada for 30 years. Wally's beloved horse, Foxey Wallect, became a National champion in the Morgan world. He and Evelyn were the founding members of the Granite State Morgan Horse Society and were active in the NH Horse and Trail Association. Wally was active in the Town of Lee government serving as clerk on the 1st Zoning Board of Adjustment and as a Selectman for 12 years.

TOWN OF LEE, NEW HAMPSHIRE
Minutes of the 2018 Deliberative Session
February 3, 2018

The February 2018 Town of Lee Deliberative Session was called to order at 9:00 am at the Mast Way Elementary School by Moderator Jan Neill.

She stated that she does not follow Robert's Rules of Order, however, she would like to see courtesy, civility, consideration and common sense to guide the Deliberative Session. She invites all to participate in discussion. This meeting is for transaction of all business other than voting by official ballot.

The Moderator then asked all to stand for the Pledge of Allegiance to the Flag.

Moderator Neill introduced the Town Clerk, Deputy Town Clerk, Assistant Moderator, Selectmen and Town Administrator.

Moderator Neill introduced the Selectmen and Town Administrator.

The Moderator then read the 2018 Lee Town Warrant:

To the inhabitants of the Town of Lee, County of Strafford, State of New Hampshire, qualified to vote in Town Affairs, you are hereby notified to meet at the Mast Way School located on Mast Road, Lee at 9:00 a.m. on February 3, 2018. This session shall consist of explanation, discussion and deliberation of the Warrant Articles numbered 1 through 23. Warrant Articles may be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

SECOND SESSION: To the inhabitants of the Town of Lee, County of Strafford, State of New Hampshire, qualified to vote in Town Affairs, you are hereby notified to meet at the Public Safety Complex, 20 George Bennett Road, Lee on March 13, 2018. The Polls will be open from 7:00 a.m. to 7:00 p.m.

ARTICLE 1

To choose all necessary Town Officers for the ensuing year:
(To be considered at the March 13, 2018 Ballot Voting)

ARTICLE 2

Are you in favor of the adoption of Amendment No.1-2018 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Article II, Definition

Accessory Dwelling Unit: Shall mean a separate dwelling unit which is contained within or attached to a single family residence on a conforming lot. Such unit shall have no more than two bedrooms and shall be no larger than

eight hundred (800) sq. feet. ~~The primary unit shall~~ *One of the units must* be owner occupied.

Note: Deleted language is crossed out; new language is in bold italics

The Moderator read Article 2 and then asked the Town Clerk to move to the Official Ballot.

ARTICLE 3

Are you in favor of the adoption of Amendment No. 1-2018 as proposed by the Planning Board for the Town Building Regulations as follows?

Article II, Definitions

Accessory Dwelling Unit: Shall mean a separate dwelling unit which is contained within or attached to a single family residence on a conforming lot. Such unit shall have no more than two (2) bedrooms and shall be no larger than eight hundred (800) sq. feet. ~~The primary unit shall~~ *One of the units must* be owner occupied.

Note: Deleted language is crossed out; new language is in bold italics

The Moderator read Article 3 and then asked the Town Clerk to move to the Official Ballot.

ARTICLE 4

Shall the Town vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$500, the same amount as the standard or optional veterans' tax credit voted by the Town under RSA 72:28. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the assessor by April 15 of the tax year. (The Select Board recommends this article.) Majority Vote Required

Article 4 was read by Selectman Brown. The Article was moved by Selectman Bugbee and seconded by Chairman LaCourse.

Had to serve during certain conflicts. This Article changes the qualifications to a Veteran has to have served 90 days.

David Cedarholm asked for clarification as to why this Article differs from the current Veteran Exemption. Town Administrator explained that this Article takes away the list of qualifying conflicts to be eligible for the Veteran's Credit and opens the Exemption to any Veteran who has served for at least 90 days and was honorably discharged.

Rod MacKay asked if Veterans who are currently getting the Veteran Credit would have to reapply. The Town Administrator said they would not.

By the show of a majority of affirmative voter cards, the Moderator asked the Town Clerk to move the Article, as presented, to the Official Ballot.

ARTICLE 5

To see if the Town will vote to raise and appropriate a sum not to exceed Two Hundred Thousand Dollars (\$200,000) for the purchase of a parcel of land (approximately 5.4 acres) from the Lee Church Congregational, which includes the Parish House (aka Parsonage.) The Parish House shall be removed from the parcel no later than July 1, 2019. The parcel abuts the Town property that includes Town Hall, the Annex, the Library, the Historical Museum, and the Tool Shed w/Tramp Room. Said sum includes a purchase price of One Hundred Thirty-Eight Thousand Seven Hundred Fifty Dollars (\$138,750), demolition and hazardous material abatement costs of Thirty-Six Thousand Two Hundred Fifty Dollars (\$36,250), and transactional costs not to exceed Twenty-Five Thousand Dollars (\$25,000.) The total sum shall come from the Unassigned Fund Balance and no amount to be raised from taxation. (The Select Board recommends this article.) Majority Vote Required

Article 5 was read by Selectman Bugbee. The Article was moved by Chairman LaCourse and seconded by Selectman Brown.

Selectman Bugbee made a motion to amend Article 5 to read as follows:

To see if the Town will vote to raise and appropriate a sum not to exceed Two Hundred *Ten* Thousand Dollars (*\$210,000*) for the purchase of a parcel of land (approximately 5.4 acres) from the Lee Church Congregational, which includes the Parish House (aka Parsonage.) The Parish House shall be removed from the parcel no later than July 1, 2019. The parcel abuts the Town property that includes Town Hall, the Annex, the Library, the Historical Museum, and the Tool Shed w/Tramp Room. Said sum includes a purchase price of ~~One Hundred Thirty-Eight Thousand Seven Hundred Fifty Dollars (\$138,750)~~, demolition and hazardous material abatement costs of ~~Thirty-Six Thousand Two Hundred Fifty Dollars (\$36,250)~~, and transactional costs ~~not to exceed Twenty-Five Thousand Dollars (\$25,000.)~~ The total sum shall come from the Unassigned Fund Balance and no amount to be raised from taxation. (The Select Board recommends this article.) Majority Vote Required

Chairman LaCourse seconded the motion.

John Tappan gave a power point presentation on this Article with talking points on the history and current conditions of the Town Hall, the Town Library, and Heritage Building.

Selectman Bugbee continued the presentation with what the plan should address – safety, function, history, community and cost – and how the plan would be implemented if the Article passed. He also addressed the costs of the project.

The Town Treasurer, Ben Genes, then spoke on the financial health of the Town and funding of the project.

John Tappan then talked on the purchase of the property.

Selectman Bugbee then spoke on the Preliminary Design and Engineering, Article 6.

Jim Myers questioned why we were jumping to Article 6. The Moderator commented that this is all part of Article 5 presentation.

Wendy Fogg commented in favor of the Article.

Shawn Banker expressed his concern that there is no purchase and sales agreement. James Banks spoke to discussions between the Town and Church and the discussions in the Church.

Gail Kindberg questioned the amount of acres indicated in the Article. John Tappan responded to her comment.

More discussion ensued on the Article with comments from David Cedarholm, Selectman Bugbee, Robert Hart, Donald Quigley, Paul Gasowski, Brian Burk, Gail Kindberg.

By a show of voter cards, the amendment was voted down and did not pass.

Selectman Bugbee made a motion to amend Article 5 to read as follows:

To see if the Town will vote to raise and appropriate a sum not to exceed Two Hundred *Fifty* Thousand Dollars (*\$250,000*) for the purchase of a parcel of land (approximately 5.4 acres) from the Lee Church Congregational, which includes the Parish House (aka Parsonage.) The Parish House shall be removed from the parcel no later than July 1, 2019. The parcel abuts the Town property that includes Town Hall, the Annex, the Library, the Historical Museum, and the Tool Shed w/Tramp Room. Said sum includes a purchase price of ~~One Hundred Thirty-Eight Thousand Seven Hundred Fifty Dollars (\$138,750)~~, demolition and hazardous material abatement costs of ~~Thirty-Six Thousand Two Hundred Fifty Dollars (\$36,250)~~, and transactional costs ~~not to exceed Twenty-Five Thousand Dollars (\$25,000.)~~ The total sum shall come from the Unassigned Fund Balance and no amount to be raised from taxation. (The Select Board recommends this article.) Majority Vote Required

Bambi Miller seconded the motion.

Jennifer Messeder asked what the current unassigned fund balance is. The Town Administrator responded that the balance at the end of the 2017 fiscal year, according to the MS535 report, was \$2,465,022 less \$400,000 that the Select Board voted in October to apply to reduce the tax rate. If this Article goes forward, that would make the unassigned fund balance approximately \$1,711,000.

By a show of voter cards, the amendment passed, to read as follows:

To see if the Town will vote to raise and appropriate a sum not to exceed Two Hundred Fifty Thousand Dollars (\$250,000) for the purchase of a parcel of land (approximately 5.4 acres) from the Lee Church Congregational, which includes the Parish House (aka Parsonage.) The Parish House shall be removed from the parcel no later than July 1, 2019. The parcel abuts the Town property that includes Town Hall, the Annex, the Library, the Historical Museum, and the Tool Shed w/Tramp Room. Said sum includes purchase price, demolition and hazardous material abatement costs and transactional costs. The total sum shall come from the Unassigned Fund Balance and no amount to be raised from taxation. (The Select Board recommends this article.) Majority Vote Required

By the show of a majority of affirmative voter cards, the Moderator instructed the Town Clerk to move the Article, as amended, to the Official Ballot.

Default Budget of the Municipality

Lee

For the period beginning July 1, 2019 and ending June 30, 2020

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

ARTICLE 2

Are you in favor of the adoption of Amendment No.1-2019 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

- a. Extend the existing commercial zone along the southerly side of Rt. 4 (Concord Rd) from 60 Concord Rd (Dollar General) to the intersection of Rt. 4 & Sheep Rd, with a depth of 500 feet. On the northern side of Rt. 4, extend the existing commercial zone an additional 2,400 feet with a depth of 500 feet. (Majority vote required.)
- b. Clarify the frontage requirement in all sections of the ordinance to include the word "contiguous" in order to be consistent with the definition of frontage. (Majority vote required.)
- c. Include Bed and Breakfast in the definitions: An owner occupied dwelling providing sleeping accommodations for no more than 10 people, with each person staying no more than 10 consecutive days, which may also offer a morning meal. ARTICLE 18 – Submitted via petition

Do you support the following resolution and request the Select Board to forward it to our US Senators and House Representatives?

WHEREAS nuclear war is not healthy for children or any other living thing;

WHEREAS the detonation of even a small number of nuclear weapons could have catastrophic human and environmental consequences that could affect everyone on the planet;

WHEREAS the United States continues to reserve the right to use nuclear weapons first, which reduces the threshold for nuclear use and makes a nuclear war more likely;

WHEREAS the United States president has the sole and unchecked authority to order the use of nuclear weapons;

WHEREAS the United States, as well as Britain, China, France and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;

WHEREAS in July 2017, 122 nations approved the Treaty on the Prohibition of Nuclear Weapons which makes it illegal under international law to develop, test, produce, manufacture or otherwise acquire, possess or stockpile nuclear weapons or other nuclear explosive devices;

THEREFORE, we call on the United States to lead a global effort to prevent nuclear war by:

- Renouncing the option of using nuclear weapons first
- Ending the sole, unchecked authority of any president to launch a nuclear attack
- Taking United States nuclear weapons off hair-trigger alert
- Cancelling the plan to replace its entire arsenal with enhanced weapons
- Actively pursuing a verifiable agreement among nuclear-armed nations to eliminate their nuclear arsenals

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Lee, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Lee, New Hampshire (the "Town"), as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on Governmental Activities

As discussed in Note 2 to the financial statements, management has not recorded a liability, deferred outflows of resources, or deferred inflows of resources for the District's single employer other post-employment benefits plan in governmental activities and, accordingly, has not recorded an expense for the current period change. Accounting principles generally accepted in the United States of America require that other post-employment benefits attributable to employee services already rendered and that are not contingent on a specific event that is outside the control of the employer and employee be accrued as liabilities and expenses as employees earn the rights to the benefits, which would increase the deferred inflows, liabilities, and deferred outflows, reduce the net position, and change the expenses of the governmental activities. The amount by which this departure would affect the deferred outflows, liabilities, deferred inflows, net position, and expenses of the governmental activities is not reasonably determinable.

Adverse Opinion

In our opinion, because of the significance of the matter described in the "Basis for Adverse Opinion on Governmental Activities" paragraph, the financial statements referred to above do not present fairly, the financial position of the governmental activities of the Town of Lee, New Hampshire, as of June 30, 2018, or the changes in financial position thereof for the year then ended.

Unmodified Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Town of Lee, New Hampshire, as of June 30, 2018 and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information, schedule of changes in the Town's proportionate share of the net OPEB liability, schedule of Town OPEB contributions, schedule of changes in the Town's proportionate share of the net pension liability, and the schedule of Town pension contributions on pages 29-35 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is

required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Lee, New Hampshire's basic financial statements. The combining nonmajor governmental fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor governmental fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor governmental fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

CONTINGENCY FUND 2018 ANNUAL REPORT

NH RSA 31:98-a – Every town annually by an article separate from the budget and all other articles in the warrant may establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. Such fund shall not exceed one per cent of the amount appropriated by the town for town purposes during the preceding year excluding capital expenditures and the amortization of debt. A detailed report of all expenditures from the contingency fund shall be made annually by the selectmen and published with their report.

The Town of Lee voted to establish a Contingency Fund for Fiscal Year 2018 in the amount of \$20,000. This sum came from the unassigned fund balance and no amount was raised from taxation. A total of \$2,796.26 was utilized in FY18 as follows:

- The Board voted on December 17, 2017 to authorize expenditures up to \$2,000 from the contingency fund for expenses of the Town Center Vision Committee. A total of \$46.26 was expended in FY18.
- On January 22, 2018 the Board voted to approve entering into an agreement with RPF Environmental to conduct a hazardous material building survey of the Lee Church Congregational Parish House. \$1,900.00 was used from the contingency fund for this purpose.
- At its February 12, 2018 meeting, the Lee Select Board voted to approve utilizing funds from the contingency fund to hire an appraiser to determine a fair market value of the Parish House and 4.6 acres of land owned by the Lee Church Congregational. \$850.00 was used for this purpose.

Respectfully submitted,

Julie Glover
Town Administrator

ASSESSING DEPARTMENT 2018 ANNUAL REPORT

The firm of Municipal Resources, Inc. continues to handle the assessing functions for the Town of Lee. The primary members of the staff working in Town are Scott Marsh and Shawn Main. Additional staff members may assist. It is requested that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering their questions and allowing them to inspect and verify the data of your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, Denise Duval in the Assessing Office can schedule one for you.

The roughly \$6,250,000 increase in the 2018 taxable assessed valuation was a result of subdivisions, new and continuing construction with roughly 425 properties reviewed, in addition to those properties that were reviewed as part of the Town's quarterly review process.

Department of Revenue Administration review of sales information indicated that the Town's assessment ratio for the 2017 tax year was 88.4%. While an estimated ratio for the 2018-tax year is 84%.

Individual property information may be obtained by visiting the assessing office or on-line by following the link on the Town's website www.leenh.org

**CODE OFFICIAL
2018 ANNUAL REPORT**

During FY18, the town issued another record number of building permits with a total of four hundred forty five (445), with an estimated cost of \$10,457,317. The construction of homes has begun in the old Cheney Gravel Pit off of Pinkham Road and is winding down in Chestnut Way and Kelsey Road. Individual lots scattered throughout town have also had new homes constructed. The breakdown of the types of permits are as follows:

<u>Category</u>	<u>Permits</u>
Single Family Dwellings	27
Additions	20
Outbuildings	27
Garages	6
Remodeling/all others	365

Action was taken by the Zoning Board of Adjustment on seventeen (17) applications resulting in thirty-five (35) actions.

The Planning Board reviewed and approved eight (8) site review applications, one (1) subdivision application, and reviewed and approved five (5) lot line adjustments as well as multiple public hearings for zoning ordinances; building regulations, subdivision regulation and site review regulation changes as well as multiple consultations.

All applications are on file at the Office of Planning & Zoning and are available for review by the public upon request.

Many thanks go out to the members of the Planning and Zoning Boards for their countless hours of work and dedication to the Town of Lee.

TOTAL CALLS July 1, 2017 - June 30, 2018	696

For the fiscal year 2018 the fire department responded to 696 emergencies. This is an almost 6% increase in responses from 2017. We continue to strive to provide the most efficient and effective service to the residents. The year provided a change in personnel as three of our Part Time Firefighter/ Emergency Medical Technician accepted full-time jobs in other communities. This allowed On-Call members from the department to move into these Part-Time roles. Our staffing efforts continued to look at areas of improvement. In this fiscal year, the department was staffed 7 days a week with staggered coverage; Monday through Friday consists of (1) PT FF/EMT 6am-6pm, (1) Chief 8am-4pm, (1) FT Lieutenant 10am-6pm, (2) PT FF/EMT's Saturday and Sunday 6am-6pm and we continued the night time stipend coverage from 6pm-6am. While most incidents require at least a four-member response this has assisted the department in a positive manner. In the coming years we will continue to look at ways to improve our staffing levels with a financially responsible approach and to bring consistency with the staff.

The members have continued to succeed in gaining certifications in Firefighter Level I and II, Emergency Medical Technician, and Advanced Emergency Medical Technician which is a direct reflection of their dedication to the residents and the department.

The department has continued our Fire Prevention Program with Mast Way Elementary School and the many day care centers in town. We have also continued to provide inspections for the school, businesses, foster care, day cares, and woodstoves as well as site plan review and

fire alarm and sprinkler reviews and inspections.

The department would like to thank all the residents for their continued support. We look forward to serving you in the coming year.

Respectfully submitted,
Scott Nemet, Fire Chief

HIGHWAY DEPARTMENT 2018 ANNUAL REPORT

The Lee Highway Department is responsible for maintaining 68 roads (38 miles) that includes 108 intersections, 28 turnarounds, town parking lots and numerous dry hydrants / pull-off areas. In addition, the Highway Department takes care of mowing the cemeteries, parks, and around town buildings. The Highway Department also performed 14 burials (three full body and eleven cremations) at the Lee Hill cemetery during the reporting period.

The winter of 17-18 started off a bit slow, however, it ended quite snowy and cold. The first significant snowfall was 6 inches on December 9th and the last was 1 inch of snow/sleet mix on April 16th. During the course of the winter there were 24 winter storm events the department responded to with a total of **98** inches of snow (42 inches of it in March) recorded at the Highway garage. The biggest snow storm was 22+ inches on March 13th.

The Highway Department grader shimmed a couple of bad spots on Gile Road, Garrity Road and Thompson Mill Road. The Department also prepped and supervised paving on Thurston Drive, Haley Court, Depot Lane, Margaret Lane, Piper Lane, Davis Lane, Spencer Lane, Elder Osbourne Drive, Little Hook Road, Wiswall Road, York Lane, Jenkins Road, Packers Falls Road, and Garrity Road.

The Department replaced two 24"dia.x 60 foot culverts and one 12"x60' culvert on Lamprey Lane during the period. The Department also ditched sections of Packers Falls, Garrity and Pinkham Roads during the reporting period.

The highway crew assisted the Transfer Station with maintenance of the equipment and projects and also maintained the grounds at Little River Park. The crew also constructed a pretty nice irrigation shed at the park. Most of the big projects are now completed at the park.

A brand new shiny Western Star heavy duty plow/sand/dump truck was purchased and received by the town in the late fall of 2017. Once the bugs are worked out of the truck (and associated equipment) it should prove to be a valuable asset to the Highway Department.

Presently 1600 feet of new roadway is being built off of Pinkham Road which will potentially be accepted by the town in the near future.

We would like to thank the townspeople, the Budget Committee and the Select Board for their continued support of the Highway Department.

Respectfully submitted,

Randy Stevens, Highway Supervisor

LIBRARY 2018 ANNUAL REPORT

This year the Lee Public Library welcomed 20,587 visitors who borrowed over 32,626 items from the library! We added 189 new patrons to the library. In addition to the books, DVDs, books on compact disc and magazines borrowed, Lee residents also downloaded 5873 eBooks, eAudios and digital magazines. Downloading to a variety of devices, this represents a 10% increase over the past year!

The library's collection is just over 24,500 volumes which includes Books, DVDs, magazines and Books on CD. The library added 2,211 items to the collection and withdrew 1674 items. Through our Inter-Library loan program we borrowed 1250 items (a 19% increase) and loaned 1807 items from other New Hampshire libraries, including items from Maine and Massachusetts.

The wireless access continues to be very popular logging over 3257 connections this year, representing an 18% increase over last year! Our online continuing education program Universal Class had 411 sessions (a 191% increase over last year), Ancestry Library database saw almost 5962 sessions with 3213 citations looked at! Our online magazine articles database, EbscoHost had almost 1218 searches. Ebscohost database is provided by the New Hampshire State Library to public libraries in New Hampshire.

The Lee Public Library offered 165 programs for Adults with 1331 attendees and 234 youth programs with 2182 participants. These included story times, summer reading programs, craft programs, special holiday programs, lectures, music presentations and much, much more! These programs were held in the library, the Jeremiah Smith Grange, the Lee Church, and the Lee Public Safety Complex.

The Library was open 298 days representing 2091 hours. We delivered materials to shut-ins 79 times and our meeting space hosted 26 non-library groups with 160 in attendance.

Many Lee Library patrons took advantage of the Friends of the Lee Public Library's discount museum pass program by visiting the 10 museums 278 times. These passes offer a 50% discount or free admission to the Museum of Fine Arts, Boston, Museum of Science, New Hampshire Children's Museum, Dover, Strawberry Banke, Currier Museum, Manchester, Peabody Essex Museum, Salem, MA, Seacoast Science Center, New England Aquarium, American Independence Museum, Bedrock Gardens, Boston Children's Museum and Isabella Stewart Gardens Museum, the latter two being offered at the Durham Public Library. For the calendar year 2017, Lee residents saved over \$11,000 by utilizing these passes.

**POLICE DEPARTMENT
2018 ANNUAL REPORT**

During fiscal year 2018, the Lee Police Department had seven full-time officers and one part-time officer employed for most of the year.

As you will see in the chart below, the Lee Police Department saw an increase in calls for service again this year. The items that are listed, other than the calls for service, don't show the whole story. Based on the calls for service number, divided by the number of days per year, the officers are handling approximately 33 calls for service a day.

STATISTICAL DATA FOR THE YEAR 2016/2017 AND 2017/2018

	07/01/16 – 06/30/17 (2016-2017)	07/01/17 - 06/30/18 (2017-2018)	Percentage of Increase/Decrease

Motor Vehicle Stops	1623	2467	50% Increase
Motor Vehicle Accidents	191	252	60% Increase
Calls for Service	6,702	12,334	90% Increase

The types of calls that our officers have been handling this past year have increased in severity. The number of firearms involved, weapons involved, and officers' response to physical resistance and assaults have all increased over the past year. Our calls for service only continue to increase each year and with the number of proposed new homes and businesses that trend will continue.

As always, the members of the Lee Police wish to thank the residents and businesses in the town for their continued support. The Lee Police Department is working hard to serve and protect you!

Sincerely submitted,
Chief Thomas Dronsfield, Jr.

TRANSFER STATION 2018 ANNUAL REPORT

KEEP IN MIND, IT IS MANDATORY TO RECYCLE IN THE TOWN OF LEE

RECYCLING INCOME

Product	Income 2016/17	Income 2017/18
Batteries	\$724.50	\$793.28
All Plastics	\$4668.30	\$8080.64

All Scrap Metals	\$15,072.32	\$14,708.09
Aluminum Cans		\$20,436.00

In FY18 the Transfer Station saw a fluctuation in mixed paper revenue go as high as \$110 per ton to a low of \$30 per ton. Cardboard started at \$185 per ton and ended at \$90 per ton. There are times when the Transfer Station can wait for an increase in market prices but unfortunately there are times when they have to be shipped due to a lack of storage.

In November 2017 the old swap shop was demolished and construction on the new one began and was nearly completed by the end of the fiscal year. Thank you to the many volunteers that helped with the construction.

The Transfer Station is always grateful for the help from the Highway Department for repairs, fabrication, mowing and snow plowing! Thank you Randy Stevens, Peter Hoyt and Warren Hatch!

Your Transfer Station Team includes Toby Van Aken, Chip Belyea, Jeffrey Geddis, Dennis Freeman, Larry Reola and Matt Dwyer.

Thank you residents for your recycling!

Respectfully submitted,
Toby Van Aken, T.S. Manager

WELFARE DEPARTMENT 2018 ANNUAL REPORT

The Welfare Department provides temporary assistance to individuals and families who lack adequate resources to meet their basic needs, as required by New Hampshire State Law RSA 165. The Town determines eligibility for assistance for basic living needs based on RSA 165 and the Town of Welfare Guidelines. All business is conducted in a professional, respectful, and fiscally responsible manner.

Assistance is provided through vouchers given directly to vendors for basic emergency needs such as food, fuel for heat, utilities, shelter expenses and other necessities. Whenever possible, referrals to other resources, such as State and Federal programs, local food pantries, area charities, etc. are made before local tax dollars are utilized. The Welfare Department encourages self-sufficiency and provides advocacy for individuals and families in need of assistance.

In 2018, the Town of Lee provided electric and rental assistance to 7 clients and referred 12 clients to other agencies. The Town will seek reimbursement from recipients and the State to repay some of the assistance provided and will continue to explore new avenues to maximize services and benefits available to the Town of Lee residents. The Welfare Department will continue to monitor changing federal/state laws and regulations.

If you have any questions or feel you might be in need of assistance, please contact me at 969-8251 or at pmattingly@leenh.org.

Thank you for allowing me to continue to serve the residents of Lee.

Respectfully submitted,

Pamela J. Mattingly, Welfare Officer

AGRICULTURAL COMMISSION 2018 ANNUAL REPORT

This year we welcomed two new members to the Commission, Ken Brisson as a regular member and Kristin Cisneros as an alternate. We also accepted the resignation of Jonathan Kohanski as he moved out of town. Michael Zahorik, who is working on his doctorate in Natural Resources at UNH, attended our meetings for several months.

As for the past several years, the Commission is very involved with the annual Lee Fair. The Best of Harvest Contest is always a success, as are the Farm Games for young and old. And, of course, members work hard on the Pig Roast/Chicken Barbecue supper. Many thanks go out to all the townspeople who help to make the fair a success and to the Jeremiah Smith Grange for the use of their building, as well as tables and chairs. The fair is a great community activity.

The Farmers Market started the end of May and was successful throughout the summer months with a good variety of items available, including local roasted coffee, maple syrup, grass fed beef, bread, cheese, fudge, eggs and vegetables, to name a few. Tina Sawtelle served as the Market Master this year and hopefully will continue on next year.

The Backyard Farming Initiative, a program sponsored jointly by the Lee Agricultural Commission, Lee Sustainability Committee and the Lee Public Library, was successful once again. This year's program was presented once a month, from January to May, 2018 and was entitled "Keep Calm and Garden On" with presentations by townsfolks. It was very informative and was well received.

The Pancake Breakfast in March is always a welcome activity for many Lee residents. The Lee and Durham Agricultural Commission join with the Strafford County Farm Bureau to put on a Pancake (plus eggs, bacon, sausage, strata and more) Breakfast to benefit youth in agriculture in Strafford County. This year we were able to help several members of the Woolmark 4-H Sheep Club attend the All American Sheep Show in the mid-west.

The Town of Lee Agriculture and Farm List brochure was updated and published again this year. This is our third edition, with a new brochure every other year. It is full of information about local agriculture, with farm names, locations, business cards and photographs. It is available at the Town Hall, Library and the Farmers Market.

Members of the commission have worked with the State, as well as our own Planning Board and Select Board, to have a definition of Agritourism that will be a workable solution for everyone.

Respectfully submitted, Laura Gund

CONSERVATION COMMISSION 2018 ANNUAL REPORT

Major Activities of Lee Conservation Commission

Protection of Open Space and Agricultural Land: In the town's most recent master plan survey, respondents showed very strong support for the protection of natural resources and open space in Lee. Accordingly, the Conservation Commission continues to work to expand the area of protected open space within the Town and to seek to preserve the agricultural heritage of Lee through conservation easements. This year the Town placed a conservation easement on a 7-acre parcel in the Town Forest that encompasses a vernal pool that has been an important educational resource for students at Mast Way School.

Oversight of the Town's Conservation Easements: The Conservation Commission is charged with overseeing most conservation easements within the Town and maintaining their boundary markers. A. Gourgue worked with landowners to schedule 33 monitoring visits to the Town's conservation easements by Commission members C. Fisher, A. Hartgerink and W. Humm. Mr. Humm reported their findings to the appropriate agencies. As most towns contract this mandated task to outside agencies, the Commission's volunteers save the Town more than \$4,500 in fulfilling this responsibility.

Advice to Planning Board and Zoning Board of Adjustment: In accordance with its statutory responsibilities, the Commission serves as advisor to the Planning Board and Zoning Board of Adjustment on matters concerning the protection of wetlands and other issues of environmental concern. A. Hartgerink has assumed primary responsibility for this activity. During the period covered by this report the Commission investigated and responded to two such requests by the Town's Boards.

Educational and Outreach Activities: The Commission provided information concerning conservation easements and identifying invasive plant species at the Lee Fair. During the past year C. Fisher led three Frog Walks and three Nature Walks in the Town Forest, Little River Park, and Maude Jones Memorial Forest. In addition, she and A. Tappan conducted a woodcock viewing event at Joe Ford Wildlife Sanctuary. A. Tappan led an informational walk on controlling invasive plant species. A. Gourgue maintains the Commission's Facebook page informing the Town of Commission activities. To make maps of trails accessible through the Town's website, T. Moody has been mapping trails in the Town's conservation lands.

Management of Town-Owned Lands: The Commission is responsible for managing Town-owned lands. During the past year, it organized, financed, and conducted campaigns against the invasive species Oriental Bittersweet, Glossy Buckthorn, and Japanese Knotweed on various Town-owned properties. A. Tappan has been working to create and implement a management plan for the Joe Ford Wildlife Sanctuary with the aim of enhancing the Sanctuary for New England cottontail, woodcock and other wildlife dependent on early successional habitat.

4H Campership: Each year the Commission supports the attendance of a student from Lee to the Barry 4H Camp. Any resident interested in applying should contact a member of the Commission.

Respectfully submitted, Catherine Fisher

HERITAGE COMMISSION 2018 ANNUAL REPORT

The Lee Heritage Commission received a Moose Plate grant from the State of New Hampshire to do an appraisal of our historical collection and provide recommendations for its conservation. The Commission is in the process of implementing those recommendations to safeguard our collection. Our collection needs a permanent home and we must decide what documents to keep in our archives. We are collaborating with the Town Center Vision Committee to work our needs into the Town Center Project.

There were a small amount of funds left over from the 250th Celebration and the Heritage Commission oversees expenditures of these funds. Through the year we have done various things such as purchase a flag and flag pole for Little River Park and install a plaque on a donated rock placed beneath it explaining the origin of the flag. We had several banners produced with artwork by Amy Daskal placed on utility poles throughout the town. We have also purchased aprons, with the Town logo on them, for use during such events as the March pancake breakfast, Lee Fair, etc.

The Heritage Commission holds several barn easements in Lee, as well as two Heritage Easements. It is our responsibility to monitor these easements on a regular basis and report any findings on the Heritage Easements to LCHIP (Land and Community Heritage Investment Program).

We check on the Thompson Mill trail which was blazed by an Eagle Scout from Troop # 459 who also installed a small bridge over a brook running into Little River. We discussed placement of a sign at some point along the trail, giving some history of the mill that once stood on the river.

Each year the Heritage Commission prints a calendar for the following year. We have been requesting photos of Lee from townspeople and have received a wonderful array of photos depicting the best of Lee. Keep the photos coming!

Several of our members are on the Town Center Vision Committee and have committed many hours to the Town Center project. We thank them for their time and efforts. Other members of the commission are on the Agricultural Commission and various other committees in town.

We are proud to say that two of our town center buildings have been placed on the NH State Register of Historic Places: The Tool Shed with Tramp Room (AKA the Hobo Shed); and the Lee Town Hall. A third town center building (The South Lee Freight Depot now being used as the Lee Historical Society Museum) is currently being considered for inclusion on the Register in July 2018.

RECREATION COMMISSION 2018 ANNUAL REPORT

Lee Recreation Commission Mission

The Mission of the Lee Recreation Commission is to provide indoor and outdoor programs and activities to improve the physical and mental health of Lee residents.

Vision and Goals for Recreation in Lee

Recreation is an essential element of a healthy community and lifestyle.

Physical activity makes people healthier.

Physical activity increases with access to parks.

Contact with the natural world improves physical and physiological health.

Parks create stable neighborhoods and strong communities

The Lee Recreation Commission has been active in both improving park grounds and maintaining and implementing new programs throughout 2018. In the Fall of 2017, we had drip irrigation and new trees planted at Little River Park. A new pump house was constructed by our Highway Department to protect the irrigation and well controls.

Our three core programs, Easter Egg Hunt, Fishing Derby and Model Rocket Day continue to attract many children and parents. Model Rocket Day continues to grow in popularity. Again, our thanks to the Stevens family for hosting the Fishing Derby.

This year, thanks to the vision and efforts of Michael Vardaro, a commission member, we will be introducing a music program at Little River Park on Thursday evenings. We look forward to this becoming a very popular community builder.

The Recreation Commission meets on the 1st Tuesday of each month at the Safety Complex. We welcome anyone to attend and look forward to input and suggestions.

Respectfully submitted,

Larry A. Kindberg, Chairman

Michael Vardaro, Vice Chairman

EMERGENCY MANAGEMENT 2018 ANNUAL REPORT

The Emergency Management Department continues to apply for grant funding to update and train on our Emergency Operations Plan and the Hazard Mitigation Plan. The Emergency Management Department is planning on completing a Table Top Exercise with NH Homeland Security and Emergency Management and update the Hazard Mitigation Plan in the coming year. Thankfully in 2018, the Town did not have any extended emergencies including any weather events like we have seen in previous years. These are only some of the steps residents may take to assist them and the State through these difficult times:

- Always observe state and local restrictions on water use during a drought. If restricted, for example, do not water your lawn, wash your car, or other non-essential uses, to help ensure there is enough water for essential uses. Contact the Town Hall for current information and suggestions.
- Avoid letting the water run while brushing your teeth, washing your face or shaving.
- Operate automatic dishwashers only when they are fully loaded. Use the "light wash" feature, if available, to use less water.
- Clean vegetables in a pan filled with water rather than running water from the tap.
- Store drinking water in the refrigerator. Do not let the tap run while you are waiting for water to cool.
- Operate automatic clothes washers only when they are fully loaded or set the water level for the size of your load.
- Use a commercial car wash that recycles water.
- If you wash your own car, use a shut-off nozzle that can be adjusted down to a fine spray on your hose.
- Avoid over watering your lawn and water only when needed
- A heavy rain eliminates the need for watering for up to two weeks. Most of the year, lawns only need one inch of water per week.
- Check the soil moisture levels with a soil probe, spade or large screwdriver. You don't need to water if the soil is still moist. If your grass springs back when you step on it, it doesn't need water yet.
- Water in several short sessions rather than one long one, in order for your lawn to better absorb moisture and avoid runoff.
- In extreme drought, allow lawns to die in favor of preserving trees and large shrubs.

The Emergency Management Team would like to thank all of the residents for their continued support.

ENERGY COMMITTEE 2018 ANNUAL REPORT

The Lee Energy Committee's (LEC) mission is to promote/facilitate energy conservation and resilience, energy efficient practices, and use of renewable, sustainable energy by the Town. During FY17-18 we made progress toward three goals in the current Master Plan 2016-2026.

Goal 1: Reduce energy used, total emissions, and tax dollars spent in Lee on energy annually.

- To learn how the Town could reduce its electricity consumption, we invited the NH Electrical Coop to conduct an energy audit of the Public Safety Complex and Transfer Station.
- Based on the audit, we conducted research on converting the lighting in the Public Safety Complex and Transfer Station; 2) collected, analyzed and coordinated solicited proposals from vendors and 3) made recommendations to the Select Board.
- Conducted research on ways to reduce electricity use by the Transfer Station, specifically by improving the insulation of the Transfer Station office.
- Provided guidance and financial support for a new, more energy efficient Swap Shop.
- Updated Town building energy data in the EPA Portfolio Manager database.

Goal 2: Increase public awareness of energy options for municipal, residential and business energy needs.

- Donated 13 solar panels to NH Children's Museum in Dover for its solarization. Panels were given to the Town for our efforts to promote the Energize 360 weatherization/solar energy campaign.
- Participation in the Lee Fair with electric car and human-powered bicycle demonstrations, an energy quiz, and distributing energy-related educational information.
- Sponsored or co-sponsored (with Sustainability Committee and/or Lee Library) panel or speaker presentations on: improving residential energy efficiency; a plan to develop wind power off the coast of New Hampshire; the state of NH's energy; and the "Low Carbon Diet."
- Worked with wind power advocates to draft a warrant article for the March 2018 election requesting the Governor's support of an offshore wind energy feasibility study. (Passed)

Goal 3: Analyze energy efficient measures for municipal buildings.

- Conducted research on and obtained a vendor's proposal for adding a solar panel array to the Public Safety Complex and/or Transfer Station using a Power Purchase Agreement.
- Working with the Town, helped draft a warrant article for the March 2018 election giving permission to the Select Board to enter into a Power Purchase Agreement to put a solar array on or near the Public Safety Complex or the Transfer Station (Passed). Subsequent issues with the array's location and planning for the Town Center have placed the project on hold.

FRIENDS OF THE LEE LIBRARY 2018 ANNUAL REPORT

The Friends of Lee Library had a great year with strong membership, a variety of sponsored library programs, and wide use of the sponsored museum passes.

Membership was a key focus this year, since membership funds the majority of Friends sponsored programs in the Library.

- The successful yearly membership campaign in July and August resulted in \$3,545 in memberships.

Your membership enables the Friends to provide library programs including:

- Museum passes for free or reduced admissions to twelve museums in New Hampshire and Massachusetts.
- Children's programming during summer and school vacations like Toe Jam Puppet Band and Wildlife Encounters.
- Adult programming throughout the year including speakers and workshops.
- The Summer Reading Program for children and adults with prizes for all!

Thank you for being a *Friend* and supporting library programs in Lee!

Respectfully submitted,

Deb Sugerman
President, Friends of the Lee Library

HISTORICAL SOCIETY 2018 ANNUAL REPORT

The Society had a very busy year! We updated our membership list, printed a supply of Lee maps, and provided assistance to many people doing genealogy research. Catherine Gardner set-up an Amazon Smile Account, so residents can make a donation to us as they make purchases. Charlotte Mandell has created a Society web page, so we can stay in touch. Most importantly our officers and directors have attended meetings and provided detailed assessments of our needs to the facilities and vision committees, who are working on the Town Center building plans.

In establishing fundraising projects, Jan Allen identified two of our collections to be evaluated for conservation/preservation needs. Clothing & Textiles will be evaluated in the coming year. Afterwards we will evaluate the conservation /restoration needs of maps and phonics charts for our schoolroom.

Our building continued to be open the 3rd Saturday of the month, for 8 months out of the year. Grace Kasper continued to be our Junior Docent. In addition we provided genealogical services to people by appointment throughout the year.

We always enjoy Fair Day at Little River Park. We joined the Heritage Commission members in feeding folks cheddar cheese, apples, and sour pickles, plus answering questions and selling books about Lee's history.

We supported the schools in several ways. In November Jan Allen and I made weekly visits to Mast Way's 3rd grade classrooms. The students tried to identify artifacts which we brought and talked about their usage over time. In May we provided museum tasks for students on the O.R.M.S. Palooza service day. In June we welcomed the Mast Way 3rd graders for a tour of the museum building.

We co-sponsored four free public programs with the Lee Library. The fall 2017 programs were "Women War Correspondents" presented by Linda Matchett and "General Sullivan" presented by Douglas MacLennan. The spring 2018 programs were a preview of the draft of Phyllis White's book on Lee's schools and "Sawed Up a Storm" presented by Sarah Shea Smith.

In April the Society held its annual meeting at the Jeremiah Smith Grange. A potluck meal was enjoyed, as well as a presentation by Joel Sherburne and Rebecca Rule. We are thankful for our volunteers. Anyone who is interested in the history of our town is welcome to join us.

LAMPREY RIVERS ADVISORY COMMITTEE 2018 ANNUAL REPORT

10.1.2017 - 9.30.2018

Representatives from nine towns in the Lamprey River watershed continued implementing the *2013 Lamprey Rivers Management Plan* with help from multiple partners. The final plan, approved on Sept. 26, 2013, is available at town offices and on www.lampreyriver.org.

Land Protection: As of September 2018, the Wild and Scenic Subcommittee had leveraged funding totaling \$4,934,881 to protect 3512 acres and 16.3 miles of river frontage in Epping, Lee, Durham, and Newmarket.

Education and Outreach: LRAC again sponsored a river herring day at Macallen Dam, attended events at schools, libraries, and local fairs. *Chick and Dee-Dee's Lamprey River Adventure* was shared at town libraries and elementary schools. Many articles were published and special topics were presented at town libraries. *Twenty Years of Progress on the Lamprey River* was shared with municipalities and other partners.

Recreation: The LRAC helped Newmarket Recreation with its Hammock to 3K kayak race preparation classes. With a grant from the NH Charitable Foundation, the LRAC and Trout Unlimited made the stretch between Epping and Lee more passable for canoeists while protecting the ecological values of instream wood. A guided eco-paddle of the river was offered. The LRAC offered significant help with Newmarket's new Schoppmeyer Park.

Water Issues: LRAC funding ensured that years of volunteer water quality data were not interrupted. The second phase of analyzing 23 years of river water quality data was undertaken.

Wildlife: An acoustic bat survey was undertaken in four towns, showing that 7 of the expected 8 species are present along the river and tributaries.

Project Review: The project review workgroup reviewed and commented on twenty-three projects that were submitted to the state for environmental permits. An important turtle nesting site was identified and work is on-going to put this site under a conservation easement.

Plans for 2019 and Issues to Watch: The committee will continue to do project reviews and work on issues identified in the *Management Plan*. The LRAC will continue to support ecological research, fund volunteer water quality monitoring, and engage the public through its outreach efforts in nature, recreation, and history. The children's history novel, *Peter Little Bear*, will be reprinted and distributed to schools. A community grant program will begin.

SUSTAINABILITY COMMITTEE 2018 ANNUAL REPORT

The Lee Sustainability Committee, which serves as an advisory committee to the Select Board, is working to foster an ethic of sustainability and resilience among the citizens of Lee, through education, outreach, advocacy, and action. Our mission is to become a coordinating point in the community for sustainable practices, collaborating with groups and individuals on identified projects. This year the Sustainability Committee worked on drought awareness and water conservation, composting and waste stream reduction, the reduction of household carbon emissions and a celebration of Lee's trees.

Using information provided by the New Hampshire Department of Environmental Services (NHDES), the Lee Sustainability Committee completed the Well and Groundwater Awareness Program. The program is designed to assist Lee homeowners in acquiring and recording information about their residential wells, and to educate and encourage good stewardship of Lee's groundwater resources.

In addition, the committee initiated a focus on ways to reduce the town's waste stream. Working with the Lee Transfer Station, the LSC has introduced an outreach campaign through the E-Crier under the headings of "Composting" and "Over the Wall and into the Bin." We anticipate that these projects will be ongoing.

Joining with the Lee Agricultural Commission and the Lee Public Library, the LSC became a co-sponsor of the 'Backyard Farming Initiative.' This popular program, which will be in its eighth year, offers monthly sessions from January through May at the Lee Grange. The focus for the 2018 sessions was 'Keep Calm and Farm On.'

In late spring, we sponsored the 'Low Carbon Diet' workshop series to help Lee residents take specific actions to reduce household carbon, from recycling, to conserving water, to choosing a renewable electricity supplier and more. We are planning to sponsor the series again next year.

Finally, in coordination with the Lee Heritage Commission, the Lee Conservation Commission, the Lee Public Library, the Lee Historical Society and the ORCSD elementary schools, we are planning the 'Lee's Trees Contest,' which will be a celebration of Lee's trees through science and art.

Committee Members include Paul Gasowski (Chair), Leslie Adams, Chuck Cox, Jennifer Messeder, Matthew Rowell and Dean Rubine.

CEMETERY TRUSTEES 2018 ANNUAL REPORT

The Cemetery Trustees continue to manage the maintenance of the trust-funded cemeteries, sell plots, purchase flags and flag holders, and work closely with the Cemetery Superintendent and the Trustees of the Trust Funds.

The Cemetery Trust Funds for 2017-2018 yielded interest totaling \$4,015.72. There are presently 254 trust funds. Six cemetery plots were sold during this period. The proceeds from the selling of plots are placed with the Trustees of the Trust Funds. Only the interest from these funds can be used for maintenance.

During our “Walk Through Meeting”, May 2018 we discovered that two very large sugar maples had fallen and had broken stones in the Rebecca Bennett Cemetery. This is an ongoing project. The other cemeteries were found to be in good repair with a few needing minor tree trimming or fence repairs. We also replaced memorial flags and added flag holders where needed.

We greatly appreciate that everyone continues to abide by the Cemetery Rules and Regulations. These rules and regulations plus price list can be found on the town website under Cemetery Trustees. We continue to urge visitors to clean up flowers and decorations at the end of the seasons. Trash cans are available in the Lee Hill Cemetery. Your help allows the maintenance crew to work efficiently and to keep our cemeteries neat and appealing.

Contractors are hired to prune shrubs and trees. Grub control continues to be contracted out for the Lee Hill Cemetery and Old Parish Cemetery. Mowing, fertilizing, liming, minor maintenance, burials, monument and stone placement, and other burial management issues were carried out by Superintendent Randy Stevens and his crew from the Highway Department. We want to thank them for their attention to the Lee cemeteries.

We thank the VFW Post 10676 for placing and removing the memorial flags on the veterans' graves. Placement of these flags shows honor to those who have fought for our freedom.

The Cemetery Trustees again want to thank everyone for doing his or her part to help maintain the well-groomed cemeteries in Lee.

Respectfully Submitted,

Marianne Banks

COMMUNITY ACTION PARTNERSHIP OF STRAFFORD COUNTY 2018 ANNUAL REPORT

Community Action Partnership of Strafford County (CAPSC) is a 501(c)3 private, non-profit organization established in 1965. CAPSC works with our community, state, and federal partners to assist more than 10,000 low income children, families, and adults each year. Our mission is to educate, advocate, and assist people in Strafford County to help meet their basic needs and promote self-sufficiency. CAPSC is governed by a volunteer Board of Directors, one-third of who are consumers of our services. We have 130 employees, and an \$8.8 million operating budget, which includes federal, state and local funds in addition to foundation and United Way grants, fees for service, and individual and corporate donations.

2017 – 2018 Service Highlights:

- 44 households in Lee received over \$28,500 in fuel assistance during the 2017-2018 heating season.
- Over the past year, 29 Lee households received a discount on their electric bill through CAPSC's Electrical Assistance Program at a value of \$12,644.
- CAPSC weatherized four homes in Lee last year – a 300% increase over last year.
- Four individuals or families on the verge of homelessness or literally homeless, received emergency housing services from CAPSC programming.
- CAPSC assisted 13 Lee households with emergency food at a value of \$520 – which is more than double the number of households served last year.

CAPSC operates emergency food pantries in Dover and Farmington, both of which are open five days per week. Our nutrition program provides over 500 holiday food baskets to families in need each year, a benefit one Lee family in need took advantage of during the 2017 holiday season. CAPSC provided over 63,000 meals to children ages 0 to 18 through its Summer Meals and After-School Meals programs last year – a 58 percent increase over last year.

Without the services provided by our agency, many local residents would be without a means to provide for their basic needs as they find a pathway out of poverty. At CAPSC, we help our clients to become or remain financially and socially independent through 60 coordinated programs that address basic needs such as food, housing, education, transportation, employment and job training, child care, and utility assistance. CAPSC maintains its outreach capacity by operating offices in Farmington and Dover, and Head Start Centers in Dover, Farmington, Milton, Rochester, and Somersworth.

Thank you for your continued support of our mission. We are grateful for your investment in CAPSC!

READY RIDES TRANSPORTATION ASSISTANCE 2018 ANNUAL REPORT

2018 Accomplishments and Goals for 2019

Ready Rides Transportation Assistance organization provides curb-to-curb rides at no charge to all medical related appointments for those residents living in Lee that are 55+ and the disabled. Our vetted volunteer drivers use their own vehicles to provide transportation services. Mileage reimbursement is available for all drivers. Ready Rides also provides rides to residents living in Barrington, Madbury, Northwood, Newfields, Durham, Nottingham, Newmarket and Strafford. Ready Rides is not bound by travel distance. Accessible rides are available.

Ready Rides, established in 2012 and is a 501 C 3 independent nonprofit organization.

2018 Fiscal Year Accomplishments:

Ride Statistic:

Number of Vetted Lee Drivers:	3
Total number of confirmed trips completed to date for Lee residents:	870
Total number accessible rides completed to date in Lee:	77
Number of registered Lee residents using our service:	29

Ready Rides Goals for 2019

To have an expanded number of vetted drivers to be able to provide rides to everyone that asks.

We are always in need of new drivers to help with the growing need of ride requests. Come join our team of volunteer drivers! Please call our Coordinator for more information (603) 244-8719.

STRAFFORD REGIONAL PLANNING COMMISSION 2018 ANNUAL REPORT

Established by state legislation in 1969 the regional planning commissions serve in an advisory role to local governments and community organizations. Strafford Regional Planning Commission's (SRPC) mission is to assure that the region is responsive to the needs of its residents through cooperative actions with municipalities and federal and state agencies, through the implementation of regional plans, and through local planning assistance. The Commission's professional staff provide transportation, land use, economic development, hazard mitigation, water, public health, and natural resource planning services; geographic information services (GIS); data collection and analysis; facilitation; and project management.

2018 Specific Accomplishments in Lee:

(Value of each service provided at no cost to the town is included in parenthesis)

- SRPC, in collaboration with the University of New Hampshire (UNH) and Geosyntec Consultants, partnered with the Town to update floodplain maps with new topographic and stream flow data. This project builds off a 2014 initiative to review floodplain data along the mainstem of the Lamprey River, and will allow for the assessment of other rivers in town including the North, Little, and Oyster Rivers. In May 2018 SRPC helped facilitate a kick-off meeting with the Planning Board that included a review of relevant history and project scope of work. Geosyntec and interns from UNH completed their field work and data collection over the summer, and preliminary mapping results will be available over the next several months. (SRPC DES Funds: FY18=\$13,197.50, FY19 through Sep 2018=\$11,729.15. UNH Funds: FY18/FY19=\$5,961. In-Kind Match raised from other sources: \$9,876)
- Conducted twelve traffic counts to support local and state planning efforts. (2018 Traffic Count Season: \$1,800)
- Began the process to update the town's hazard mitigation plan. (FY18/FY19: \$187.50 for funding research)
- Provided GIS services to create a map showing potential commercial zoning expansion along routes 125 and 4 near the traffic circle. (FY19: \$150)
- Produced topographic road maps for the town (FY19: \$375)
- Formatted Lee mapping data for inclusion in online mapping tool MapGeo. (FY18 SRPC EDA Funds: \$775)
- Converted snowmobile trails data into GIS format and produced trail maps. (FY18: \$112.50)
- Completed the 2017 Lee Tax Map update. (SRPC contract with Town)
- Reviewed crash data with the Town and recommended potential Highway Safety Improvement Program (HSIP) eligible projects. (NHDOT Funds: FY18/FY19= \$300)
- Distributed *New Hampshire Planning and Land Use Regulation* handbooks. (\$48)

2018 Regional Accomplishments:

- Adopted the 2017 Annual Update to the Comprehensive Economic Development Strategy (includes priority projects in the Town of Lee).
- Continued to administer Strafford Economic Development District's EPA Brownfields program.
- Adopted the 2017-2040 Strafford Metropolitan Transportation Plan (includes projects in the Town of Lee).
- Completed the 2017 Annual Building Permit Inventory Report (includes data for the Town of Lee).

Upcoming projects:

- Completion of the Lee Floodplain study, which includes an input period for review of maps, drafted by Geosyntec, and incorporation of the new data into the town's floodplain overlay district.
- Follow-up on discussion pertaining to potential SRPC grant writing assistance for funding the Tuttle Road culvert replacement project.
- Follow-up on discussion pertaining to energy aggregation; a regional cooperative and competitive energy purchase.
- Completion of the 2019 update to Lee's Hazard Mitigation Plan.

Commissioners:

- Frederick Kaen
