Board of Selectmen
Town of Lee
249 Calef Highway
Lee, NH 03861

Dear Members of the Board:

We have completed the update of values in your Town and have turned over the new data base. The whole process went very well with help from Town staff and Scott Marsh. Hearings were conducted over a three-day period and except for a couple taxpayers' people were very nice and informed about the process.

The following are several statistics from the process:

Town Value Prior to Update:	\$492,613,075
Town Value Prior to Taxpayer Hearings:	\$775,684,473
Final Town Value:	\$769,483,373
% Increase 2020-2021:	56.2%
Total number of parcels in Lee:	2,041
# Of requests for property record cards:	150
Number of Taxpayers Requesting Hearing	76 plus 10 (handled after the deadline over the phone.)
Number of post hearing letters sent:	103

I have attached additional information for you to review. I hope you find this information helpful. I have enjoyed working with you and hope we can do it again in another 5-years.

Sincerely,

Jeff Earls, President
