

Lee Heritage Commission Minutes

August 15, 2019

Present: Pat Jenkins, Donna Eisenhard, Scott Bugbee and Laura Gund.

Guests: Laurel Cox

Minutes: The minutes of the June and July were read. Scott moved and Donna seconded to approve both sets of minutes, with one name change.

Barn Signs: So far, Rothwells and Griswolds have not answered letters regarding barn signs. Rothwells' would be "Layne Barn" c. 1850. Bedrock Gardens and Jennison's signs will be ordered. We will ask Dave Miner if he knows the date of the Rothwell Barn and if not, ask if he would visit the barn with us.

Banners: The "broken" banner at the town triangle (Dave Allen Park) will be back up "soon".

Lee Fair: The fair is coming right up and preparations are being made.

Calendar: Looked at and selected post cards that could possibly be used on a calendar, with an up-to-date photo with the post card.

Archives: Shelves have been ordered.

Parish House: Laurel, Andrew Cushing (NH Preservation Alliance) and Scott are working on an application for the State Register of Historic Places. John and Anne Tappan are working on photos. Scott moved to spend \$5.00 on the pamphlet "Annals of a Country Church" as well as "Part Two". Motion passes. This will be included in the "Historic Places" packet. We are looking for grants.

Heritage Easement: We selected September 24, 2019 as a date to walk the easements at Flag Hill and Randall Farm and this would include a visit to the Emerson House (formerly Dugas), recently purchased by the Cox family.

Next meeting will be September 19, 2019.

Minutes submitted by Laura Gund.
